Ann.1	Format of Staff Accountability (Noncredit Areas)

1.	PREFACE
	The maiden Policy on Staff Accountability defining the aspect of Staff Accountability and the area where accountability can be carried out was approved in the Board Meeting held on 18.12.1997 and circulated vide Staff Circular No. 4433 dated 20.02.1998. The ambit of Staff Accountability was mainly classified into 3 areas viz. Credit Management, Non-Credit Areas & Frauds. The aspect of accountability in respect of Credit Management and Frauds in credit areas is being looked after by Credit Monitoring & Credit Compliance Department and various guidelines / policies have been issued by them from time to time in this regard. With the change in overall banking scenario, more particularly the increased use of technology and introduction of various compliances / regulatory / statutory guidelines and reforms in the banking sector, there has been a change in the roles and responsibilities of staff members. Hence, a need was felt to revise the Staff Accountability Policy relating to Non-Credit Areas.
2.	OBJECTIVE
	Banking business mainly revolves around financial transactions & financial decisions and risk forms an integral part of banking. Apart from fixing of accountability in matters relating to credit and fraud, staff accountability is equally required to cover lapses relating to non-credit areas including administrative matters involving negligence, ill motive, non-compliance / non-observance of norms and procedures laid down by both internal as well as external authorities such as RBI, GoI, SEBI, CVC and other Controlling Authorities. The objective of the Bank towards framing of the said Accountability Policy is not only to comply with the statutory and regulatory compliances but also to promote a healthy environment of compliance of laid down norms, systems & procedures which will go a long way in protecting the interest of the Bank and its stakeholders as well as to have comprehensive guidelines prescribing the processes for bringing in standardization in the Staff Accountability exercise. The aim of the Policy is to protect employees for their bonafide actions and at the same time to make the employees accountable for any wrongdoing or any inaction on their part. Therefore, if the exercise

Classification: Confidential

of accountability is not done objectively keeping in view the aforesaid, it may lead to highly distorted perceptions among the employees / stakeholders which would be more detrimental to the Bank than the loss which may be actually suffered by the Bank. Towards this, it is primarily important to identify areas of deficiencies and initiate corrective measures. Punitive action for the lapses on the part of Officers / Award Staff should be of secondary importance.

All the mechanisms under this Staff Accountability Policy would operate on the fundamental principle that decisions are presumed to be bonafide unless proved otherwise and that it will be established in its entirety through the systems & procedures already documented by the Bank. The documented laid down norms, systems & procedures are aimed at providing regulatory guidance, necessary to instil confidence in decision making functionaries while ensuring that the laid down norms and compliance are not compromised in the process of empowered decision making.

Thus, the objective of Staff Accountability Policy is to enhance managerial effectiveness. The focus of Staff Accountability is to identify only those Officers / Award Staff for administrative or disciplinary action who are prima facie found responsible for the lapse(s) of non-compliance with the laid down systems & procedures.

3. DEFINITION OF ACCOUNTABILITY

The expression 'Accountable' means being responsible for one's own decisions or actions/inactions and to explain when called upon. Accountability is inherent where there is delegation of power or duty/responsibility. In every organization, a number of people are employed to do specific tasks and vested with various levels of powers and duties. It is fundamental that they should be responsible for their actions. As long as the actions are within the framework of the laid down guidelines, rules, regulations and procedures and taken in the interest of the organization with proper justification, they do not attract accountability. Every Officer / Award Staff of whatever rank must be made to realize that he/she is prima facie accountable/responsible for every act of his/hers. However, that does not necessarily imply that each and every act will be subject to scrutiny for the sole purpose of punishing the acts that went wrong at the end of the day.

Every Officer / Award Staff is bound to discharge his / her duties with diligence and devotion in accordance with:

- a) Laid down systems and procedures
- b) Rules and Regulations in force
- c) Guidelines, whether general or specific
- d) Delegated Authority vested in him / her
- e) Laws of the Land

The general principle of accountability will be that the Officer / Award staff who does not perform his/her allocated duty or who violates any rules, procedures, directions, guidelines or policies of the Bank shall be held accountable.

4. SOURCES OF EXAMINING ACCOUNTABILITY

Accountability can be identified / examined from the following sources :

- a) Inspection Reports of Branches / Controlling Offices
- b) Reports of internal / external auditors including Concurrent Auditors, Statutory Auditors, Stock Auditors, Revenue Auditors, Outsourced Activities Report, RBI Inspectors etc.
- c) Charge taking report from the new incumbent
- d) Branch visits, periodical returns / statements, monitoring reports, review of NPAs, etc.
- e) Complaints and whistle blowing
- f) Vigilance investigation, CBI investigation, police investigation, investigation by statutory bodies like IT / Revenue authorities and other such investigations
- g) Off-site Monitoring Cell (OMC) Report
- h) Issues highlighted in Social Media / Print Media / Electronic Media
- i) Incidents of attempted / perpetrated frauds
- j) Irregularities observed by the Controlling authorities through warning signals

k) Any other source

5. COVERAGE

The Staff Accountability (Non-Credit Areas) will cover all Officers / Award Staff at all levels for irregularities on their part

- 5.1 The staff accountability will not only cover the operating functionaries at the branches / administrative offices, but will also cover other functionaries involved in overseeing / monitoring functions
- 5.2 It will cover inspecting officials who failed to detect and report serious irregularities in operational & other matters at branches / controlling offices
- 5.3 It will not only take into account the commissions but also omissions. It will also be examined for deliberate concealment of facts as also for remaining a silent spectator to the known misdeeds being perpetrated by colleagues / superiors where he / she is expected to blow the whistle

6. GUIDING PRINCIPLES FOR STAFF ACCOUNTABILITY

- 6.1 Staff Accountability should encompass all transactions whether financial or administrative in content
- 6.2 It should not only cover acts of commission but also acts of omission (i.e. not taking decisions) which put the Bank to monetary or reputational loss. In other words, non-performance may also attract staff accountability
- 6.3 As a matter of routine, various irregularities / deviations are observed during the course of various audits / inspections / visits. Most of them are procedural in nature and occur during the normal course of business. Hence, all such audit / inspection reports may call for examination of staff accountability but not for ascribing staff accountability unless the lapses / irregularities are of serious / persisting / fraudulent / malafide in nature and carry potential risk to systems & procedures and lead to monetary or reputational loss to the Bank. After the submission of report by the Investigating Officer to the respective Competent Authority (as mentioned under Clause 10.4 of the Policy), the final decision to ascribe accountability against any employee(s) will vest with the respective Competent Authority
- 6.4 In case of lapses without malafide intention, the nature of a lapse and quantum of loss to the Bank will be an important consideration while determining the staff accountability. However, the erring staff member's past contribution / track record and special, genuine & lawful circumstances under which the lapses occurred should also be given due consideration / weightage while contemplating staff accountability
- 6.5 There should be a distinction between lapses arising out of genuine business decisions, out of negligence whether casual or culpable, and those arising out of frauds / malafide intentions
- 6.6 Reporting / Assessment of the facts of the case in the prescribed format should preferably be carried out by a senior / experienced official
- 6.7 Bonafide mistakes are to be viewed in a positive and rational manner
- 6.8 No action is to be taken on anonymous and pseudonymous complaints irrespective of

Classification: Confidential

the nature of allegations and such complaints should be filed

- 6.9 Staff members in administrative offices are also accountable for lapses and non-compliance of laid down norms and procedures

9.	HOW TO EXAMINE STAFF ACCOUNTABILITY
9.1	The lapses essentially fall into following 3 broad categories: a) Procedural lapse or casual negligence in ordinary discharge of one's duties b) Gross or culpable negligence c) Lapses with malafide intention The first lapse calls for an appropriate view being taken, the second a serious view and a third a definite view. In any case, justice should not only be done but should manifestly and undoubtedly be seen to be done. In arriving at the view to be taken, the cardinal principles of fair play, transparency and judicially balanced views have to be taken. The Bank reserves the right to initiate disciplinary proceedings at any stage based on the gravity of lapses / negligence established against the erring staff member.
9.2	The broad parameters on examination and fixing of Staff Accountability in certain areas are enumerated hereunder:

9.2.1. Forged/ Fraudulent Cheques:

Where the signatures appearing on the forged / fraudulent cheque apparently and with the naked eye tally with the specimen signatures lodged with the Bank and the cheque is otherwise in order and payable in the normal course of business, the Staff Accountability shall be examined taking into consideration the circumstances of the case, negligence, involvement of the official concerned etc.

9.2.2. Fake Documents:

Generally, if ordinary precautions expected from a prudent banker have been exercised by the officials concerned and no malafide / involvement of staff is observed, the same may be given due weightage while ascribing Staff Accountability in the event a fraud is perpetrated based on fake / fabricated / forged documents.

9.2.3 Leakage of Income:

In case of instances of leakage of income on account of Technology / System related matters, generally no Staff Accountability will lie on the part of the branch officials.

In respect of other instances of income leakage, if the entire amount is recovered then generally no staff accountability will lie on the officials concerned provided there is no clear-cut evidence of any staff involvement.

However, the cases of the technology malfunction / system failure on account of any omission / commission on the part of the officials responsible for monitoring and overseeing of maintenance of system functioning, will attract Staff Accountability, and staff lapses will be looked into on the roles of the officials in the matter.

9.2.4 Procurement / Hiring / Sale / Purchase / Transfer of Services / Assets:

Staff Accountability may also be examined in cases where the procurement / hiring of assets / services and sale / purchase of Bank's assets are not as per extant instructions and statutory guidelines. The delegation of financial as well as administrative power as issued from time to time should be followed.

9.2.5 Non-escalation of Cases:

Staff Accountability may also be examined in cases where employees, by their acts of omission / commission, fail to escalate irregularities / deviations / unethical practices etc. to the Controlling Authorities and for being a silent spectator to an issue / matter which has ultimately resulted in causing damage to the Bank's interest / property.

9.2.6 Technology / IT Related Matters:

Technology also involves frequent resetting of parameters due to changes in interest rates, service charges and other business needs etc. In such cases, the persons are expected to carry out such work with utmost care and ensure that there are no mistakes in the changes and such changes are properly validated by the supervisors. This is one of the key areas as the parameter changes are made at global level and will affect the entire Bank. The income leakages in such cases will be huge. Since it affects the income of the Bank and also its reputation and may lead to customer complaints, the officials both at the Branch / User level as well as at IT Department handling such matters have to carry out such work with due diligence and utmost care and have to be made responsible for such parameter changes.

However, sometimes inspite of effecting the changes as required, the system behaves erratically and may not give the expected output resulting in loss / gain of income to the Bank and no apparent negligence on the part of the concerned official is visible. For such systemic failures, the concerned officials generally shall not be made accountable provided in such cases the official ensures reporting of the same as per procedure / guidelines of the Bank.

9.2.7 Digital Transactions:

Banking has fast changed from manual to digital with various Fintech companies offering financial products and services online. While penetration of digital methods in the financial sector is a welcome development, the benefits and certain downside risks are often interwoven in such endeavours. A balanced approach needs to be followed so that the regulatory framework supports innovation while ensuring data security, privacy, confidentiality and consumer protection at branch level and administrative office level.

9.2.8 Data Sharing / Data Leakage:

- i. Any act resulting in leakage or sharing of Bank's data especially sensitive & confidential information to unauthorized persons
- ii. Sharing of any sensitive / confidential information to those outside the Bank without approval of appropriate authority

9.2.9 Violation of Conduct/Service Regulations / Service Conditions / other guidelines

- i. Officer employees are governed by Union Bank of India Officer Employees' (Conduct) Regulations, Officers' Service Regulations and Officer Employees (Disciplinary and Appeal) Regulations.
- ii. Award Staff Employees are governed by Service conditions as per various Bipartite Settlements and Settlements entered with majority Award Staff Union at Bank level.
- iii. Various other guidelines are issued by the Bank from time to time based on internal rules/ regulations/ statutory compliances etc.

Any violation of the Conduct/ Service Regulations / Pension Regulations and other guidelines causing financial / reputational loss to the Bank, or any misconduct disturbing the office decorum / causing disharmony in smooth functioning of various processes/ transactions or the branch/office at large, may invite examination of staff accountability.

9.2.10 Non-Performance

Avoidance of decision taking/ delay in decision making under notion that "no work no accountability". Non fulfilment/non-achievement of expected business parameters and also avoiding of taking bonafide business decision(s) without justifiable reasons, shall fall under the ambit of accountability.

The above list is only indicative and not exhaustive. Detailed guidelines on how to proceed with examination of Staff Accountability are explained herein below.

Hence, the benefits under the policy are applicable to such deposits which are held domestically as per the terms of this policy.

4. **Aim / Objective of the Policy:** The aim / objective of the Policy is to have common standard guidelines post amalgamation for all branches situated domestically. With standard guidelines, the branches / offices shall be in a position to administer the benefits with transparency and equitably.

5. **Policy Ownership:** The Policy Ownership shall be with the Operations Department and policy will be placed in consultation with the Human Resource Department, jointly before the Committee/Board of the Bank from time to time as per validity.

6. **Compliance:** The Policy is in compliance of the regulatory guidelines issued from time to time, Master Direction of RBI vide DBR. Dir. No.84/13.03.00/2015-16 last amended on 22.02.2019 is the base for this policy.

It is clarified that, deposits made with our Bank, if any, by such Officials prior to their appointment will not be eligible for Staff benefit and shall continue till maturity at the contracted rate. (iv) In case of persons taken on deputation for a fixed tenure or on a contract of a fixed tenure, the benefit will cease to accrue on the expiry of the term of deputation or contract, as the case may be.

It is clarified that such persons will be eligible for the additional interest benefit on deposits created during his/her tenure till its maturity and in case of his ceasing to be so eligible, till the maturity of a Term Deposit account. In case these Official/Executive/person is a Senior Citizen, the benefit as available for Senior Citizens will also be available on deposits created during his/her tenure with the Bank.

In the above context, Internal Ombudsman appointed on a contract for a fixed tenure, this extra interest benefit shall be available for those deposits created during his/her tenor in the Bank. However, deposits created during the tenure will continue to receive the interest rate benefit at the contracted rate till its maturity. The benefit will cease to accrue on fresh deposits created after the expiry of the term of contract, as the case may be.

For the above, it is clarified that post-amalgamation of eCB & eAB, interest on deposit of such persons created prior to amalgamation for bank officials if any will continue to earn interest at the contracted rate till maturity.

(v) Bank Employee Federations, in which bank employee are not direct members, shall not be eligible for additional interest.

On the above, further it is clarified that:

Further a declaration shall be obtained from the depositor concerned that the monies deposited or which may from time to time or be deposited into such account from time to time belong to the depositor (format furnished as Appendix-1). The same shall continue to be obtained in the Amalgamated Entity, by the

Staff deposits wherever stated will invariably include deposits in the name of staff members/Retired Staff who are senior citizens / Spouse of deceased staff members.

9. Joint Deposits of Staff:

9.1 Staff Deposits jointly with family members of eAB, eCB & eUBI: Where a joint holder of a deposit is a staff member, in order to be entitled for 1.0% p.a. additional interest, the name of the staff member should be first and not subsequent. However, a declaration from the staff member shall be obtained to the effect that the monies deposited or which may be deposited from time to time into such account/s, belong to the concerned staff member (furnished as Appendix-I). The implication of this is that as per extant norms, applicable TDS will be deducted from the total interest paid and relevant TDS certificate will be issued in the name of the staff member only, irrespective of the fact the account is in joint name.

9.2 Deposit of Retired Staff (Senior Citizen) jointly with family members: If a deposit is held by a retired staff member who is also a Senior Citizen jointly with his parents / spouse / child /children, brother or sister, then the branch can offer both Staff benefit and Senior Citizen benefit subject to obtaining a declaration from the staff member to the effect that the monies deposited or which may be deposited from time to time into such account/s, belong to the concerned staff member. In order to be entitled for Senior Citizen benefit, name of the retired staff member should be first and not subsequent in a joint deposit.

In other words, deposits maintained by retired staff members (who incidentally are senior citizens) jointly with eligible family members would be entitled for the staff benefit by way of additional 1.0% interest along with senior citizen benefit, only when the retired staff member is named first and not subsequent to the deposit.

9.3 Staff Deposit jointly with Senior Citizens: Where a joint holder of a deposit made by the Senior citizen is a staff member, to be entitled for 1% p.a. additional interest, only when the name of the staff member is first and not subsequent. A declaration from the staff member shall be obtained to the effect that the monies

deposited or which may be deposited from time to time into such account/s, belong to the concerned staff member.

The benefit of additional interest of 0.5% p.a. as extended to senior Citizen scheme shall not be extended to such deposits (since the serving staff member is not a senior citizen). Applicable TDS will be deducted from the total interest paid and relevant TDS certificate will be issued in the name of the staff member only.

9.4 Deposits in the name of spouse of a deceased staff (jointly or singly): If a deposit is held jointly by the spouse of the deceased member of the staff who is senior citizen, then the branch can offer both staff interest and senior citizen interest subject to obtaining of the declaration that deposits belong to him/her. Here again, in order to be entitled for Senior Citizen benefit, name of the spouse of the deceased staff member, who is also a Senior Citizen, should be first in a joint deposit.

10. Premature closure of staff account:

On premature closure of a staff member's Term Deposit, penalty as applicable shall be levied (1% less than the card rate applicable for staff deposits as prevailing on the date of deposit for the tenure up to which the deposit remained with the Bank).

11. Ceiling on Staff Deposits:

The maximum ceiling of Rs.75.00 lacs was fixed in eCB on term deposits as per circular No.282/2014 dated 12.04.2014. For amalgamated entity, the maximum ceiling of Rs.5.00 crore would continue as per Standalone Union Bank of India's Instruction Circular No.01914-2020 dated 16.03.2020. The amount invested in Term Deposits (Principal amount) at all branches of the Bank put together under staff category on which the benefit of additional rate of 1.0% p.a. is admissible on deposits of staff category for individuals opened either singly or jointly with family members viz. as staff, ex-staff or spouse of a deceased member of staff or deceased retired member of the Bank's staff.

12. Accounts which are ineligible for benefits of staff accounts:

12.1 Ex-staff members who have resigned from the service of the Bank (irrespective of the number of years of service put in) will not be eligible for the benefit of the staff accounts in respect of the deposits placed/renewed by them after their resignation from the service of the Bank.

12.2 Even if the Karta of the family is a member of Bank's staff, the accounts of HUF shall not be eligible for staff rate of interest.

12.3 Bank Employees Federations, in which bank employees are not direct members, shall not be eligible for additional interest.

12.4 Deposits in the name of staff under Capital Gains account: If a deposit is held by the staff under Capital Gains Account, no additional interest benefit is available on that deposit. Likewise, additional interest for Senior citizen is also not available for staff deposits under Capital Gains.

12.5 NRE/NRO Deposits of Staff Members: Deposits held by the staff under NRE / NRO Deposit Account shall not be eligible for the additional interest benefit

13. Application of Additional Interest on Existing Deposits:

For deposits which are outstanding on the date of this policy will continue to earn interest as contracted without any change.

With respect to outstanding deposit of eAB & eCB staff members, in joint names, where name of the depositor is not first, the account shall continue to fetch benefit of additional interest till maturity of such deposit as per originally contracted terms of deposit. However, on maturity of such deposit, the benefit of additional interest to staff will cease to continue. Upon renewal of such deposits, the additional interest benefit will be available only if the name of the staff member is first

14. Validity of the Policy: The Policy shall be valid till 31.03.2022. Nevertheless, changes / extension / modifications in guidelines, if any, brought out in this regard by the RBI during the currency of the Policy, may be brought into effect with prior approval of Managing Director & Chief Executive Officer (MD & CEO) of the Bank. However, the same shall be placed before the Board for Information.

15. Conclusion: The rationale of having a 'Policy on Staff Deposits and Payment of Additional Interest' is to have prompt identification of the eligible or ineligible accounts and providing the additional interest as allowed per regulatory guidelines.

1. INTRODUCTION

Banks are custodians of Public money and valuables where trust and honesty are of utmost importance. It is expected of every Bank employee to be just and fair in all his official dealings and take every step to ensure and safeguard the interest of the Bank besides ensuring compliance with Bank's norms and guidelines.

In order to ensure that the guidelines are thoroughly adhered to and employees do not deviate from the set Banking procedures and norms, it is essential to have certain checks and control mechanisms. Many such robust mechanisms are in place like Audits, CMRD visits, Inspections, etc. Inputs and Feedback received from these form the basis for rectification of anomalies and/or further investigation into the irregularities such as examination of staff accountability, conducting vigilance and other investigations etc.

This furthers the initiation of Disciplinary action against the employees/ officers against whom staff accountability is ascribed.

Examination of Staff Accountability

Below mentioned are the two Policies for examination of Staff accountability:

- 1. Examination of Staff Accountability in Credit Areas circulated vide Instruction Circular No 2522-2021 dated 26.03.2021 issued by Credit Recovery Department.**
- 2. Examination of Staff Accountability in Non-Credit Areas Circulated vide Staff Circular No 7274 dated 23.10.2020 issued by HR Department, ER Division.**

Detailed procedure for examination of Staff accountability is mentioned in the aforesaid circulars.

Other Sources for initiation of Disciplinary action

- Audit Irregularities
- Reporting of Operational lapses
- Internal Inspection and Investigation Reports including Vigilance Investigation
- Investigation Reports received from CBI/Police Authorities/other Statutory bodies and RBI instructions/directions
- Investigations into complaints etc.

It is at this stage where function of Disciplinary action starts which involves taking action against those delinquent/ erring officers/employees who are found accountable for lapses on their part.

Challenges involved

It is a matter of great concern that the number of disciplinary cases is increasing day by day. On evaluation of existing pending disciplinary cases, it is observed that the following are main causes of delay in completing/concluding disciplinary action in the Bank. The following instances of delay are merely illustrative and not exhaustive.

- Proper care is not taken while issuing charge sheet/show cause memorandum, which necessitates issuance of corrigendum.
- Sometimes explanation is sought for very minor irregularities which are even rectified at Branch / office, by the time the explanation is called for.

- At many ROs/FGMOs, memoranda are issued by various departments like Credit/CRLD/P&D and no intimation in this regard is available with HR Department which affects effective follow up.
- After issuance of showcase no proper follow-up is made to get explanation of delinquent employee within stipulated time. In many cases extension of time is given without any cogent reasons.
- Proper/timely delivery of show cause memorandum/charge sheet to delinquent employee is not ensured.
- Undue long time is taken for scrutinizing the explanation submitted by delinquent employee.
- While making reference to Internal Advisory Committee, requisite papers and information are not submitted to Central Office as a result unnecessary correspondence is required to be exchanged to collect the information.
- After reference of the matter to Internal Advisory Committee no proper follow-up is made with concerned authority for an early decision of the Committee.
- Unduly long time is taken for making request for 1st stage advice and all requisite information/ papers are not provided to Vigilance Department.
- After instituting inquiry no follow-up is made with the Enquiry Officer to ensure completion of the inquiry proceedings within the time frame.
- On receipt of findings of the Enquiry Officer they are not sent to delinquent employees for their written submissions and no proper follow-up is made for getting the submissions in requisite time.
- In case of Award Staff, personal hearings against proposed punishments are not given in time and on many occasions unwarranted adjournments are given.
- Unduly long time is taken for seeking 2nd stage advice (wherever applicable as detailed in subsequent chapters) from Vigilance Department and relevant data is not furnished to Vigilance Department to enable them to give their advice.
- On receipt of 2nd stage advice or otherwise, final orders are not passed in time and they are unnecessarily kept pending.

The disciplinary actions initiated against various officials/employees are delayed for one reason or the other and hence it is advised that every endeavour be made to ensure that disciplinary actions initiated against delinquent officials be completed as early as possible. No tailor-made solution can be given to overcome this delay and each HR Official has to evolve his own strategy to avoid the unnecessary delay. For instance, for avoiding delay in serving memorandum, some official be deputed at the branch or at his residence, if the person is posted /residing locally. Similarly, in order to avoid the delay in getting explanation, the delinquent officials may be permitted to inspect relevant records of the branch/office where misconduct has occurred in the show cause memorandum itself, so that time taken for subsequent request from the employee concerned can be avoided.

In this way depending upon the circumstances, steps should be taken to avoid delay at local level and it should be ensured that delay in completing disciplinary action is reduced to bare minimum.

Our Top Management has shown great concern about large number of pending disciplinary cases and time generally taken for completing the same.

All concerned are, therefore, advised to take careful note of this and concerted efforts be made to reduce the number of pending inquiries/ disciplinary cases giving special attention to the cases, where the employee concerned is placed under suspension and the matters, which are pending for more than 3 months.

To facilitate timely and expeditious completion of disciplinary cases, we enclose general guidelines /rules governing the various facets of disciplinary action in subsequent chapters/topics.

2. DISCIPLINARY AUTHORITY

Disciplinary Authority as per Union Bank of India Officer Employees' (Discipline & Appeal) Regulations 1976, is the Authority specified in the Schedule which is competent to impose on an Officer any of the penalties specified in Regulation 4.

Role of Disciplinary Authority:

- Issuance of Charge sheet / Articles of Charge
- Institution of Inquiry if statement of defence of Charge Sheeted Officer / Employee (CSO/CSE) is not found satisfactory
- Forwarding Inquiry report to the concerned CSO/CSE
- Issuance of Final Order / Speaking order

The general principles that need to be kept in the mind of the Disciplinary Authority may be summed up as:

1. To weigh the entire set of evidence put in the course of the enquiry for the inference drawn by the EO/IA in his findings is reasonable and just.
2. To examine the nature and the gravity of the misconduct proved against the charged person
3. To consider the aggravating / extenuating circumstances that may exist.
4. To establish the previous record to see if a sympathetic view can be taken in the event of an unblemished record
5. To see if the employee is genuinely repentant.
6. To ensure that the findings are based on the records of the enquiry proceedings.
7. To verify the nature of punishment usually inflicted for an identical misconduct so that consistency and uniformity in action can be ensured and whimsical decisions can be avoided.
8. To ensure that the punishment is generally commensurate to the gravity of the misconduct.
9. To ascertain whether the punishment is demoralizing on the staff and the morale and general level of discipline in the bank is considerably affected.

In terms of letter no. CO: ERD: 2359:2020 dated 20.07.2020, the following officials are designated as Disciplinary Authority to deal with the disciplinary cases of Award Staff:

Disciplinary Authority for Award Staff	Chief Manager or Authority above him / her at FGMO

For composite cases involving Award Staff and Officers in MMGS-III and above its Chief Manager or Authority above him / her at ER Division, Central Office.

Schedule for Disciplinary Authority, Appellate and Reviewing Authorities as per Union Bank of India Officer Employees' (Discipline & Appeal) Regulations 1976 is annexed herewith **(Staff Circular 7167 dated 01.04.2020)**.

3. Principles of Natural Justice

The Principles of Natural Justice are nothing but certain universally accepted rules, which are to be followed / observed in all quasi-judicial matters / actions. They are not codified in any statute but they are accepted universally over a period of time. They are considered as safeguards for the minimum protection of the rights of the individual against any arbitrary procedures / proceedings. These principles mean that a person whose civil rights are affected must have reasonable notice of the case and he should be given reasonable opportunity of being heard in his defence. Although the precise extant of the rules of natural justice is not clearly defined, their acceptance of various rules has given them a character of positive law in our country. It is, therefore, necessary for all, who take part in disciplinary proceedings in any manner to have a general idea of concept of Natural Justice.

There are two fundamental maxims of natural justice. First principle is the right of hearing, which in Latin term is known as "*audi alteram partem*". The second principle is "*Nemo debet esse judex propria causa*", which means no man shall be a Judge in his own cause. On these two broad principles, the principle of Natural Justice can be understood as under:

- The delinquent official should have been informed clearly of the charges / allegations leveled against him.
- He should be given an opportunity to submit his explanation or defence. For this purpose, he should be given all relevant documents.
- He should be given all reasonable opportunities to cross-examine the management witnesses and any other evidence brought on record by the prosecution.
- He may be permitted to be defended by Defence Representative as per the rules of the Bank.
- Inquiry should be conducted by the impartial Authority, who is in no way connected with the cause of action.
- Evidences should be recorded in presence of the delinquent official / employee.
- Copies of all evidences (oral / documentary) be made available to the charge sheeted employee.
- There should not be excessive / unjustified delay in initiating and completing the departmental action.
- The Punishment imposed on him should not be disproportionate to the nature / gravity of charges / allegations proved.

As mentioned above, the principles of Natural Justice are still not in written / codified / enacted form but they still remain in the domain of natural law. These principles operate where the law itself is silent and they are not inconsistent with what is provided in the statute. However, it should not be construed that where any provision of these principles is expressly or impliedly negated by the law it cannot be said that enactment giving that law is ultra vires and unconstitutional. If a statutory provision is either specifically or by necessary implication excludes the application of any or all the rules of natural justice then the Court cannot ignore mandate of legislation or statutory authority. Thus rules of natural justice apply only in area not covered by any law validly made. These principles are not equivalent to the fundamental right nor they substitute to constitutional or statutory law of the country. In short, they do not supplant the law but supplement it. As such, these principles are to be followed in all departmental actions or any violation of the same may vitiate the action initiated against the delinquent official and punishment imposed thereof.

4. VIGILANCE ANGLE AND IAC

4.1 Vigilance Angle:

Although formulation of a precise definition of 'Vigilance Angle' is not possible, the Commission has stated that the same would be perceptible/ obvious in following acts:

- Demanding and / or accepting gratification other than legal remuneration in respect of an official act or for using his influence with any other official.
- Obtaining valuable thing, without consideration or with inadequate consideration from a person with whom he has or likely to have official dealings or his subordinates have official dealings or where he can exert influence.
- Obtaining for himself or for any other person any valuable thing or pecuniary advantage by corrupt or illegal means or by abusing his position as a public servant/ Banker (Sanctioning/Recommending/ Other Authority) for the benefit of third party/vendor/borrower.
- Possession of assets disproportionate to his known sources of income.
- Cases of misappropriation, forgery or cheating or other similar criminal offences.
- Gross or wilful negligence.
- Recklessness in decision making
- Blatant violations of systems and procedures.
- Exercise of discretion in excess where no ostensible / public interest is evident.
- Failure to keep the controlling authority / superiors informed in time.
- Any undue/unjustified delay in the disposal of a case, perceived after considering all relevant factors, would reinforce a conclusion as to the presence of Vigilance angle in the case.

4.2 Vigilance angle in Public Sector Banks:

The following actions would be perceived to have vigilance angle:

- a) Irregularities in opening of accounts leading to the creation of fictitious accounts;
- b) Recurrent instances of sanction of Overdrafts (ODs) in excess of discretionary powers / sanctioned limits without reporting;
- c) Frequent instances of accommodation granted to a party against norms e.g. discounting bills against bogus MTRs; purchase of bills when bills had earlier been returned unpaid; affording credits against un-cleared effects in the absence of limits and opening Letter of Credits (LCs) when previously opened LCs had devolved;
- d) Cases in which there is a reasonable ground to believe that a penal offence has been committed by the alleged official, but the evidence forthcoming is not sufficient for prosecution in a court of law e.g. possession of disproportionate assets;
- e) Misappropriation of Banks property, money or stores;
- f) Falsification of Bank's records;
- g) Disclosure of secret or confidential information even though it does not fall strictly within the scope of Bank's Secrecy issues;
- h) False claims on the Bank viz. TA claims, reimbursement claims, etc.;
- i) Failure to take necessary action to protect the interest of the Bank;
- j) Sacrificing/ignoring the interest of the Bank and causing loss to the Bank.

The following actions involving an employee would also come under the purview of vigilance angle, if he —

- a) has not acted in accordance with rules and his recommendations are not in the interest of the Bank;
- b) has failed to conduct himself in such a manner that his decisions or recommendations do not appear to be objective and transparent and seem to be calculated to promote improper gains for himself or for anyone else;
- c) has acted in a manner to frustrate or undermine the policies of the Bank or decisions taken in the Bank's interest by the management;
- d) seems to have complied with unauthorized and unlawful oral instructions of his seniors without bringing them to the notice of the Competent Authority as per extant guidelines;
- e) has exceeded his discretionary powers and his actions do not appear justifiable or to serve Bank's interest;
- f) has abused or misused his official position to obtain benefit for himself or for another.

4.3 Distinguishing between Bonafides & Malafides:

Every loss caused to the organization, either in pecuniary or non-pecuniary terms, need not necessarily become subject matter of a vigilance inquiry since commercial risk taking forms part of the business.

Whether a person of common prudence, working within ambit of the prescribed rules, regulations and instructions, would have taken the decision in the prevailing circumstances in the commercial/ operational interests of the organization is one possible criterion for determining the bonafides of the case.

A positive response to this question may indicate the existence of bonafides.

A negative reply, on the other hand, might indicate its absence.

4.4 Internal Advisory Committee (IAC):

1. The Commission, in view of paradigm shift in the role and functions of commercial banks, has perceived that appropriate attention is required to be paid in deciding the existence of a vigilance angle in the complaint / disciplinary cases relating to banking sector. It, therefore, desired that each bank may set up an Internal Advisory Committee of three members, preferably of the level of General Managers but not below the level of Deputy General Managers, to scrutinize the complaints received in the bank and also the cases arising out of inspections and audit etc. and determine involvement of vigilance angle or otherwise, in those transactions. The Committee sends its recommendations to the CVO. The CVO while taking a decision on each case will consider the advice of the Committee.
2. All decisions of the committee on the involvement of vigilance angle, or otherwise, will be taken unanimously. In case of difference of opinion between the members, the majority view be stated. The CVO would refer its recommendations to the DA. In case of difference of opinion between the DA and the CVO, the matter may be referred to the MD & CEO for resolving the difference in respect of officers not coming

Classification: Confidential

under the jurisdiction of the Commission. If the difference persists, the same may be referred to the Commission for taking a final view. However, in case of officials coming under the jurisdiction of the Commission (Scale V and above), the difference of opinion between Disciplinary Authority and CVO would be referred by the Commission.

3. The investigation / inquiry reports on the complaints / cases arising out of audit and inspection, etc. involving a vigilance angle would be referred to the Commission for advice even if the competent authority in the bank decides to close the case, if any of the officer involved is of the level (i.e. Scale V and above) for whom the Commission's advice is required.

5. TIMELINE FOR DISCIPLINARY MATTERS

Delays in the disposal of disciplinary cases are a matter of serious concern. Such delays affect the morale of the delinquent employee and others in the organization. Therefore, in order to ensure that disciplinary cases are disposed of quickly, the DA / HR officers should ensure that the following time limits are strictly adhered to:

7	Issuance of orders on inquiry report	Within one month from the date of receipt of IA's report

5.3 Guidelines to avoid delay in Disciplinary matters:

- Inquiry Officer and the Presenting Officer should be appointed, wherever necessary immediately after the receipt of the delinquent employees' written statement of defence denying the charges.
- Departmental inquiry including submission of the inquiring officers' report (i.e. findings of IA) should be completed within a period of 6 months from the date of appointment of the inquiring officer.
- DA should examine initiating disciplinary action against officials concerned for unwarranted delay beyond time schedule in conduct of inquiry proceedings.
- The documents asked for by the CSO would be produced by its custodian through the PO within the time fixed by the IA. It should also be ensured that in a case involving more than one officer; only one PO should be appointed by all the DAs.

6. PROCEDURE FOR HANDLING DISCIPLINARY ACTION

1.	Receipt of Report of Staff accountability / Vigilance / CBI or any other report calling for initiation of disciplinary action.
2. ACTION AGAINST OFFICERS:

Disciplinary cases against Officer Staff of the Bank are governed by Union Bank of India Officer Employees' (Conduct) Regulations and Union Bank of India Officer Employees' (Discipline & Appeal) Regulations.

7. Vigilance Cases :

7.1 Major penalty proceedings

In case the Disciplinary Authority decides to initiate major penalty proceedings in a Vigilance case, a reference is once again made to CVO for 1st stage advice in the matter.

For composite cases, if case of even one Officer/ employee is treated as Vigilance, the entire case of all officers/ employees will be sent to the CVO for 1st stage advice.

7.1.1	After receiving the 1 st stage Advice, Articles of Charge as well as Statement of Allegations is issued with proposed list of documents and witnesses.
7.1.2	On receipt of Statement of defence and if explanation is not found satisfactory or after waiting for reasonable time if the officer has not submitted his statement of defence, inquiry is instituted against Charge Sheeted Officer (CSO) .
7.1.3	After the inquiry is concluded, upon receipt of the report of the Inquiring Authority (IA) and if the DA concurs with the findings of the IA, a copy of the same is sent to the Charge Sheeted Officer (CSO) for his/her submissions on the findings of the Inquiring Authority.
7.1.4	If the DA does not concur with the findings of the IA, then, based on the evidences brought on the enquiry record, DA can arrive at his/her own findings and copy of the same is sent to the CSO for his/her submissions (only in case of Officers). DA must record and send his/her observations/justification for differing with the findings of the IA.
7.1.5	After receiving the submissions of the CSO (or, if he fails to submit the same within reasonable time), the DA may decide further course of action as under:

	A. For Officers up to Scale IV, if the penalty proposed by DA is in parity with the first stage advice of the CVO, second stage advice need not be obtained and DA may pass suitable Final Order B. For Officers up to Scale IV, if the DA wishes to impose a penalty, which is not in parity with the first stage advice of the CVO, then 2nd stage advice is required to be obtained from CVO on the penalty proposed. C. For all Officers of Scale V and above cadre, second stage advice of CVO is to be obtained mandatorily. D. In composite cases, only the case of the employee in respect of whom there is a variance from the first stage advice of the CVO, is to be referred for 2nd stage and not the entire case
7.1.6	All such cases that are referred to CVO for 2nd Stage advice, after receipt of the advice of the CVO, an order imposing the penalty is passed by the Disciplinary Authority. A copy of the aforesaid order imposing the penalty shall be sent to the Vigilance Department for information and record.
7.1.7	In Vigilance cases, where 2nd stage advice has not been obtained, as and when the speaking order is passed, the DA is required to arrange to send case-wise Action Taken Report (format enclosed as ANNEXURE-XX), in respect of all Vigilance cases to the Vigilance Department and ER Division, Central Office for data recording and monitoring purposes, which would comprise the following: - Copy of Final Order, - Copy of findings of the Inquiring Authority, - Submissions of employee on the inquiry findings, - Tabular format containing inquiry findings vis-a-vis details of charges levelled, submissions of the delinquent employee and comments/views/decision of DA.
7.2	<u>Minor penalty proceedings</u> In case the Disciplinary Authority decides to initiate minor penalty proceedings <u>in a Vigilance case</u>, a reference is to be made to CVO for 1st stage advice in the matter.
7.2.1	After receiving the 1st stage Advice, Articles of Charge is issued proposing the penalty to be imposed.
7.2.2	In case no statement of defence is received from the CSO or the same is not found satisfactory, Disciplinary Authority may pass final order accordingly.

8. Non-Vigilance Cases

8.1	<u>Major penalty proceedings</u> In certain Non-Vigilance cases, the DA is unable to crystallize the facts from the information available or the irregularities are serious enough to warrant major penalty, DA may decide to go for departmental inquiry in a Non-Vigilance case to crystallize the facts of the case and take an informed decision.
8.1.1	In such cases, on receipt of IAC/CVO advice, an Articles of Charge containing the statement of allegations & list of documents/witnesses is to be issued. Since the case has been treated as Non-Vigilance, the same is not required to be referred to Vigilance Department for 1st stage advice. Thereafter procedure as mentioned from 7.1.2 to 7.1.4 is to be followed.
8.1.2	After receiving submission of the CSO, or in case of non-receipt of submissions for reasonable time, the DA shall pass Final Order. Since the case has been treated as 'Non-Vigilance' the matter need not be referred for 2nd stage advice and no ATR has to be submitted.
8.2	<u>Minor penalty proceedings</u>

	If the DA decides to go for minor penalty proceedings, Articles of Charge is issued as per relevant regulations proposing penalty to be imposed. In case no statement of defence is received from CO or the same is not found satisfactory, DA may pass the Final Order accordingly.

For Award Staff Employees

For Award Staff, action to be taken in accordance with Bipartite Settlement. The procedure mentioned under point No. 1 to 5 is to be followed and thereafter action shall be taken in accordance with the provisions of Memorandum of Settlement dated 10.04.02 & 27.05.02, along with amendments as mentioned in XIth Bipartite Settlement dated 11.11.2020, common for all PSBs, circulated vide Staff Circular No. 7326 dated 24.12.2020. ➤ Vigilance Cases

- If the matter against an Award Staff employee has been treated as Vigilance, then 1st stage advice must be obtained from CVO before proceeding with action under Clause 12 of the Memorandum of Settlement dated 10.04.02 & 27.05.02.
- If a departmental inquiry has been instituted in a Vigilance case, then on receipt of findings of the Enquiry officer, the Disciplinary Authority **must** obtain 2nd stage advice from the CVO proposing the penalty he /she wishes to impose on the Award staff employee.
- On receipt of second stage advice, the DA must give the employee an opportunity for Personal Hearing in accordance with the provisions of the Bipartite Settlement / Memorandum of Settlement and thereafter pass Final Order.

➤ Non-Vigilance cases

If matter against an Award Staff employee has been treated as Non- Vigilance, then reference for 1st stage and 2nd stage shall not be made to CVO and the procedure as mentioned in the Bipartite Settlement/ Memorandum of Settlement dated 10.04.02 & 27.05.02 be followed in letter and spirit.

It is to be noted that cases pertaining to purely administrative matters such as late attendance, absenteeism, misbehaviour, disobedience, insubordination, lack of supervision etc. pertaining to Officers & Award Staff employees need not be referred to IAC or to CVO for first/ second stage advice and procedure as mentioned above to be followed without making such references.

Differences between Disciplinary action against Officers and Award Staff:

S. N.	Award Staff	Officer Staff
1.	Governed by Clause-19 of Bipartite Settlement.	Governed by Union Bank of India Officer Employees' (Discipline and Appeal) Regulations, 1976.
2.	Misconducts are defined clearly as 'Minor' and 'Gross' misconducts.	There is no specific definition of 'Minor' or 'Gross'. Regulation-24 of Union Bank of India Officer Employees' (Conduct) Regulations, 1976 provides that breach of any provisions of the said regulations shall be deemed to constitute a misconduct.
3.	Punishments provided for minor misconduct can be imposed under Clause-12(f) of Bipartite Settlement without holding inquiry. The punishments provided for Gross misconduct, other than dismissal/ discharge can be imposed under clause	Minor penalty can be imposed without holding enquiry under provision of Regulations 8 of (Discipline and Appeal) Regulations. However no major penalties can be imposed without holding enquiry.

Article of Charge mentioning the charges is issued and a separate statement containing each allegation in specific called "Statement of allegations" is issued.
8.	The charge sheet need not be accompanied by list of documents/witnesses.	The DA, issuing the Articles of Charge should invariably furnish list of documents/list of witnesses including statement of witnesses on basis of which the charges/allegations are proposed to be proved along with the Articles of Charge
9.	An enquiry officer is appointed by the Disciplinary Authority to conduct of the enquiry.	The DA himself may conduct the enquiry or appoint any other officer as Inquiring Authority to conduct the enquiry.
10.	The Enquiry Officer is required to submit his findings on conclusion of enquiry to DA.	The Inquiring Authority is required to submit his findings on conclusion of enquiry to IA.

13.	Before imposing any punishment on the basis of the Departmental Enquiry held, the proposed punishment is to be communicated to the employee and personal hearing is to be given advising him to show cause as to why the said punishment should not be imposed.	No such Personal Hearing need to be given. However, the officer employee is given an opportunity to furnish his submissions on the findings of the IA which is considered before deciding on penalty.
14.	Personal hearing, if employee desires, should be given in case of dismissal/	No such hearing need be given.

16.	Provision of review for Award Staff has been recently introduced as per XIth Bipartite Settlement (In case of capital punishment only)	There is provision of Suo-moto review by Reviewing Authority.

7. FLOW CHART OF DISCIPLINARY MATTERS:

Major Penalty Proceedings in Vigilance cases for Officers*

DA may institute inquiry against the employee in case he is dissatisfied with the Statement of Defence / in case the employee doesn't submit any statement of defence within 15 days' time

Inquiry to be conducted by the Inquiring Authority within 6 months of institution of the same

After completion of Inquiry, Inquiring Authority's (IA) findings are submitted to DA who may concur with Inquiry Findings and call for written submissions from Chargesheeted Officer (CSO) on the findings.
If DA disagrees with IA findings, he may write his own findings and send the same to CSO

Upon receipt of written submissions from CSO, DA may pass Final Order (FO)

In case of Scale I to IV, if Final order being passed is in tandem with the First Stage advice of the CVO, the DA may pass the order and submit ATR to Vigilance department.

If FO being passed is not in tandem with the FSA, then matter be referred to Vigilance Department seeking Second Stage Advice (SSA) of the CVO

** The major penalty proceedings in case of Non-Vigilance cases to remain same except seeking Second stage advice / submission of ATR*

** The major penalty proceedings in case of Non-Vigilance cases to remain same except seeking second stage advice / submission of ATR*

8. ISSUANCE OF SHOW CAUSE MEMORANDUM

- The disciplinary action starts by issuing show cause memorandum to the Officer employee.
- Show Cause Memorandum (SCM) is generally prepared on the basis of information/report received from various sources like Central Vigilance Department / Central Audit & Inspection Department / Audit Department / report emerging at RO itself / report from BH/complaints from customers, etc.

Classification: Confidential

- Show Cause Memorandum shall be issued by concerned Regional Office / Regional Head for employees working under the Region. In case lapses are observed against the Regional Head/ Staff of FGMO, Show Cause Memorandum to all employees involved shall be issued by FGM / Dy. Zonal Head. Show cause issuing authority should preferably be an authority higher than the erring official. It is to be further noted that in case the employee/officer has been transferred out of the Region/Zone, the show cause memorandum shall be issued by the Regional Office/FGMO under whose jurisdiction the branch/office falls to which the lapses pertain and the same office shall forward the matter to Vigilance Department for reference to IAC, with a copy of all papers marked to the present FGMO where/under whose jurisdiction, the erring official/employee now works.
- **For any show cause memorandum to be issued on the basis of Vigilance Investigation report (at Central Office/ local level), it is mandatory to get the draft Show Cause Memorandum vetted from Vigilance Department, CO, Mumbai before issuance.** It must also be borne in mind that Vigilance Investigation Report is a privilege document; it must be kept confidential and should not be parted with/shared with outside investigating agencies without permission of the Vigilance Department.
- Officer employee shall be permitted 7 to 15 days' time to submit his explanation depending upon allegations contained in show cause memorandum. As far as possible, no extension of time for submitting explanation be allowed except for valid and genuine reasons.
- Since Officer employees, in most of the cases will be working within the jurisdiction of the same Regional Office, it should be ensured to deliver the show cause memorandum immediately and that explanation of the Officer is received within the stipulated time.
- In case Officer is transferred out of the branch, at which the cause of action arose or is placed under suspension, he may be permitted to visit such branch specifying the period of one or two days, depending upon the matter, to inspect relevant records / documents to enable him to submit his explanation. Such permission should be given in the show cause memorandum itself. This will avoid delay, which is likely to be caused on account of request from Officer later to visit the branch and inspect documents.
- While issuing show cause, care should be taken that allegations levelled are specific and the allegations which can be substantiated only be levelled against the Officer. Also the Staff accountability / investigation reports should be carefully studied and analysed with documentary records before seeking explanation from erring officer. **There should be no reference of any audit or investigation report in the show cause.**
- **Sample formats for Show cause memorandum is annexed herewith as Annexure I to II).**

9. REFERENCE TO INTERNAL ADVISORY COMMITTEE (IAC)

- Internal Advisory Committee (IAC) is a committee of three members, preferably of the level of General Managers, to scrutinize the complaints received in the bank and also the cases arising out of inspections and audit etc. and determine involvement of vigilance angle or otherwise, in those transactions. The Committee sends its recommendations to the CVO. The CVO while taking a decision on each case will consider the advice of the Committee.
- Explanation received from Officer employee should be critically examined/evaluated with reference to allegations levelled in the memorandum. The explanation is to be scrutinised by Regional Head/FGM in relation to the allegations levelled and comments of the Regional Head/FGM should be prepared in a tabular format.

➤ Respective FGMO will then place the matter before Internal Advisory Committee (IAC) at Central Office through Vigilance Department, Central Office, Mumbai with following documents:

- Requisite IAC Process Note/Format duly filled in with desired information / details (Annexure - III)
- Copy of Show Cause Memorandum
- Copy of Explanation of the employee/official
- Tabular format culling out allegations, explanation and views of Regional Head/Zonal Head (Annexure - IV)
- Biodata of erring employee
- Present status of account/s (Annexure – V)

➤ Upon Receipt Of IAC/CVO Advice treating the matter as Vigilance/ Non-Vigilance (Employee-wise), Disciplinary Authority decides whether to go for :

- ❖ **Major Penalty Proceedings or**
- ❖ **Minor Penalty Proceedings or**
- ❖ **Allow the matter to rest (issue Administrative Warning or Advisory Memorandum if needed)**

10. REFERENCE FOR 1ST STAGE ADVICE TO VIGILANCE DEPT.

- On receipt of Committee's/CVO decision, further course of action is to be decided on the basis of the explanation tendered by delinquent Officer vis-à-vis the allegations levelled against him.
- If the Committee/CVO has decided to treat the matter as **Vigilance case**, First Stage Advice (FSA) of Central Vigilance Department/Central Vigilance Commission is necessary to be obtained before proceeding further in the matter.
- In case Committee/CVO has decided to treat the matter as **Non-Vigilance case**, Disciplinary Authority may take decision on further course of action in the matter without obtaining FSA.
- The following papers are to be submitted to Vigilance Department while seeking their 1st stage advice:
- Copy of Show Cause Memorandum issued to the erring employee
 - Explanation tendered by concerned employee
 - Tabular format culling out the allegations, explanation of employee and comments of Disciplinary Authority (Annexure – VI)
 - Self-Contained Note giving the facts of the case (Observations of DA based on which the penalty is proposed)
 - Bio-data of employee
 - Status of loan accounts where the same has to be referred to CVC (Annexure – VII)

11. MINOR PENALTY PROCEEDINGS

- While deciding whether minor penalty proceedings are to be initiated, the DA will consider whether the lapses are procedural in nature and whether there is any loss caused or likely to be caused to the Bank which can be attributed to the Officer and whether there are any malafides or not.

- In short, generally minor penalty proceedings shall be initiated when the lapses are procedural in nature and which do not indicate malafide intention on part of the employee.
- For imposing minor penalty, holding of departmental inquiry is not necessary. However, procedure laid down in Regulation 8 of Union Bank of India Officer Employees' (Discipline & Appeal) Regulations is to be followed.
- For imposing minor penalty, **Articles of Charge (AOC)** has to be issued levelling specific allegations / charges and proposing any minor penalty as mentioned herein above.
- Officer employee should be allowed 7 to 15 days' time depending upon the allegations in the Articles of Charge for submitting his Statement of Defence. Proper follow up for delivery of Articles of Charge and submission of Statement of Defence should be done to avoid any delay.
- The Officer/ employee may be allowed to peruse the relevant records/ documents of the case to submit his reply to the imputation of lapses within the stipulated period. This should be explicitly communicated in the Memorandum.
- On receipt of Statement of Defence of the concerned officer employee the Disciplinary Authority (DA) will assess/evaluate the same and depending upon facts brought out in Statement of Defence, the DA will either confirm the minor penalty as proposed in the Articles of Charge or may reduce it; but neither enhance nor substitute it with other minor penalty.
- If DA is of the opinion that penalty proposed requires reduction and if the case is registered as vigilance case, matter should be referred back to Vigilance Department for their views on revised / reduced penalty to be imposed on the CSO.
- If DA is satisfied that an enquiry is necessary, he shall follow the procedure for imposing major penalty as laid down in Regulation 4 of Union Bank of India Officer Employees' (Discipline & Appeal) Regulations, 1976.

Minor penalties as per Regulation 4 of Union Bank of India Officer Employees' (Discipline & Appeal) Regulations, 1976:

- (a) Censure;
- (b) Withholding of increments of pay with or without cumulative effect;
- (c) Withholding of promotion;
- (d) Recovery from pay or such other amount as may be due to him of the whole or part of any pecuniary loss caused to the Bank by negligence / breach of orders;
- (e) Reduction to a lower stage in the time scale of pay for a period not exceeding 3 years, without cumulative effect and not adversely affecting the Officer's pension;

The format for Articles of Charge proposing minor penalty proceedings is attached as Annexure VIII.

12. MAJOR PENALTY PROCEEDINGS

12.1 Importance of Departmental Inquiry:

- Departmental Inquiry proceedings are quasi-judicial in nature and are basically guided by the principles of "**Preponderance of Probability**", if there are reasonable grounds that misconduct was committed, it

Classification: Confidential

would be sufficient for initiation of disciplinary proceedings against an erring official; although circumstantial evidence can be relied upon to return a finding of guilt, the mode of evaluating evidence is important, unlike the normal/criminal court trials, which rely on the “Evidences” produced during the trial in the nature “Proof beyond reasonable doubt”.

- The objective behind the entire rigmarole of observance of natural justice is to provide a reasonable opportunity to the accused official/ employee to prove his innocence and accordingly, he has the right to fair hearing, unbiased judgment and speaking order.
- Regulation 6 (1) of Union Bank of India Officer Employees’ (Discipline and Appeal) Regulations, 1976 stipulates that “No order imposing any of the major penalties specified in Regulation 4 shall be made except after an inquiry is held in accordance with this Regulation.
- A Domestic Inquiry is ordered by the Disciplinary Authority (DA) to cover two important aspects:
 - a) The basic principles of natural justice that no one shall be condemned unheard.
 - b) To provide reasonable opportunity to the Charge Sheeted Officer (CSO) to;
 - (i) rebut the evidences led by the prosecution and
 - (ii) bring in his own evidence into the inquiry to prove his innocence.

12.2 Procedure for Major penalty proceedings in case of Officers:

For imposing major penalty, departmental inquiry has to be conducted and detail procedure as laid down in Regulation 6 of Union Bank of India Officer Employees’ (Discipline and Appeal) Regulations, 1976 has to be followed:

12.2.1 Issuance of Articles of Charge:

- If there is prima-facie case for imposing major penalty, Disciplinary Authority has to institute departmental inquiry.
- For this purpose issuance of Articles of Charge and statement of allegations is necessary. Specific charges have to be mentioned in Articles of Charge.
- The charges are to be derived from Regulation 3 of Union Bank of India Officer Employees’ (Conduct) Regulations.
- List of Documents and Witnesses has to be invariably enclosed with AOC issued to delinquent Officer.

The format for Articles of Charge proposing major penalty proceedings is attached as Annexure IX.

12.2.2 Statement of Defence:

- The Officer employee shall be permitted 7 to 15 days’ time or such extended time as may be granted by the Disciplinary Authority to submit a written statement of defence (Regulation 6 (3) of the said Regulations).
- Extension of time for submission of written statement of defence may be allowed only for valid and genuine reasons.
- On receipt of statement of defence, D.A. to examine various averments/ facts/circumstances stated in the statement of defence and then take a decision for instituting departmental enquiry.
- If no such statement is received within the specified time limit, D.A. may still order holding of enquiry [Regulation 6(4)].

12.2.3 Institution of Departmental Inquiry:

- The Officer employee is to be informed that his statement of defence is not found satisfactory and it has been decided to proceed with departmental inquiry.
- A suitable memorandum to this effect will be issued to the employee concerned wherein name of IA will also be informed to him. (Format for instituting departmental inquiry is enclosed as Annexure - X)

12.2.4 Appointment of I.A./P.O.

- Simultaneously, Inquiring Authority and Presenting Officer will be appointed by issuing appointment order to them (Annexure-XI and XII).
- IA should be independent authority and not connected with the subject matter of the inquiry. He should preferably be above the rank of CSO or at least senior to CSO.
- Copy of appointment order of Inquiring Authority will be sent to Charge-Sheeted Officer (CSO) for information. D.A. shall forward following documents to IA:
 - i) A copy of Articles of Charge and Statement of Allegation.
 - ii) A copy of written statement of defence, if any, submitted by the Officer.
 - iii) Acknowledgement copy of Articles of Charge as proof of delivery of Articles of Charge to the Officer.
 - iv) Copy of appointment order of Presenting Officer
- PO on his own assessment furnish a list of witnesses and list of documents to IA to substantiate the charges / allegations levelled against the CSO.

12.2.5 Assisting Officer

- As per Regulation 6(7), Officer employee is entitled to take assistance of any other Officer employee of the Bank to defend his case but may not engage legal practitioner for the purpose unless the Presenting Officer appointed by DA is a legal practitioner. The DA having regard to the circumstances of the case may, however, permit Officer employee a legal practitioner to defend the inquiry. However, before considering such request of Officer, the DA may consult E.R. Division, Central Office.
- It is, however, clarified that if the case is being presented, on behalf of the disciplinary authority, by a "Prosecuting Officer" of the CBI or by the Law Officer of the Department, such as a Legal Advisor etc., there would evidently be good and sufficient circumstances for the disciplinary authority to exercise his discretion in favour of the delinquent employee and allow him to be represented by a legal practitioner. Any exercise of discretion to the contrary in such cases is likely to be held by the Court as arbitrary and prejudicial to the defence of the delinquent employee.
- The Assisting Officer, who is allowed to defend CSO, should not have more than two inquiries on hand [Regulation 6 (7)]
- A detailed handbook for procedure to conduct departmental inquiry is available separately.

12.2.6 Action on Findings of IA:

- The action to be taken on the findings/inquiry report of IA is specified under Regulation 7.

- On receipt of the findings of IA, if DA concurs/agrees with the findings of IA, DA shall forward a copy of findings to CSO for giving him an opportunity to make submission on the findings of the IA. Maximum time of 15 days be given to CSO for giving his submissions and it should be followed up.
- However, if DA disagrees with the findings of IA on any Article of Charge, DA shall record its reasons for such disagreement and record its own findings on such charges, if the evidence on record is sufficient for the purpose [Regulation 7(2)] and shall communicate to the CSO accordingly while forwarding findings of IA for CSO's submissions.

12.2.7 Deciding quantum of penalty and passing final order:

- On receipt of submission on findings of IA, the DA will once again examine all papers of inquiry right from the Articles of Charge, proceedings of the inquiry, exhibits on enquiry record, findings of the Inquiring Authority submissions made by the charge sheeted officer and then decide quantum of punishment.
- There are no set rules for deciding quantum of punishment and it will depend on facts of each case. However, whether allegations/charges proved are of procedural in nature or gross negligence is there or recklessness is there, whether there are malafides discernible or not, what is the quantum of likely loss and whether it can be attributed to CSO, what is his past service/track record etc. are various factors to be weighed by the DA while deciding the quantity of punishment.
- At the same time, it should be ensured that punishment should not be disproportionate to the charges proved. It should also have a deterrent effect and should give right signal to others. All these facts will have to be considered by DA although no specific yardsticks can be laid down in this respect.
- However, following factors should be kept in mind while deciding quantum of punishment:
 - Nature and gravity of misconduct proved.
 - Extenuating factors/circumstances as they emerge in the inquiry.
 - Past service record of the CSO
 - Financial loss, if any, caused to the Bank.
 - Acts involving malafide intentions/moral turpitude
- The various major penalties devised under Regulation 4 of the Union Bank of India Officer Employees' (Discipline & Appeal) Regulations, 1976 are given hereunder:
 - Save as provided for in (e) above reduction to a lower stage in the time scale of pay for a specified period, with further directions as to whether or not the Officer will earn increments of pay during the period of such reduction and whether on the expiry of such period the reduction will or will not have the effect of postponing the future increments of his pay;
 - Reduction to a lower grade or post, or to a lower stage in a time scale;
 - Compulsory retirement;
 - Removal from service which shall not be a disqualification for future employment;
 - Dismissal which shall ordinarily be a disqualification for future employment.

12.2.8 2nd Stage Advice:

- The DA is required to seek second stage advice of the CVC/CVO only in the following cases where first stage advice of the CVC/CVO is for initiation of Major Penalty Proceedings.
 - For officers up to Scale IV, if DA wishes to impose a penalty which is not in parity with first stage advice of the CVO, 2nd stage advice is required to be obtained from CVO on the penalty proposed.
 - For all officers of Scale V and above, 2nd stage advice is to be obtained mandatorily.
 - In composite cases, only in case of the employee in respect of whom there is a variance from FSA of the CVO, is to be referred for 2nd stage and not the entire case.

- For officers up to Scale IV, if the penalty proposed by DA is in parity with the First Stage Advice of the CVO, Second stage advice need not be obtained and DA may pass suitable order.
- The DA will forward the entire case record along with his tentative conclusions and proposed punishment to be imposed on the Charge Sheeted Officer (CSO) to the CVC/CVO as the case may be.
- While seeking the second stage advice, the DA should submit all the relevant details / papers in respect of all the officials/employees involved in one lot so as to enable the CVC /CVO to view the matter in its entirety.
- The CVC/CVO will examine the case and tender second stage advice for the nature of penalty proposed to be imposed against the CSO. The Disciplinary Authority may consider the advice of CVC/CVO before passing speaking order. However, in any case, speaking order will be passed by the DA after applying his independent mind.
- In the intervening period if any extenuating circumstances or developments take place warranting re-examination, the DA may request CVC/CVO for re-examination of the case. But such reference for re-examination should be made only once and that too within a period of one month from the date of receipt of second stage advice.
- If the DA disagrees with the second stage advice of CVC/CVO and proceeds further in imposing the punishments, the CVO will take up the matter with Reviewing Authority/Chief Executive Officer (MD & CEO) and further take a view to report the same to CVC for treating it as deviation. The Commission would then decide about inclusion of the case in its Annual Report.
- The following papers are to be forwarded to Vigilance Department while seeking 2nd Stage Advice:
 - i. Articles of Charge issued to the CSO
 - ii. Findings of the IA
 - iii. Written brief submitted by PO/CSO
 - iv. Submissions of CSO on the findings
 - v. Tabular format culling out gist of allegations levelled, findings of IA, submissions of CSO and DA's comments.
 - vi. Bio-data of the Officer employee

12.2.9 **Final Order / Speaking Order :**

- After receipt of CVO's second stage advice, DA after applying his independent mind, may accept their views and proceed further. The DA in exercise of quasi-judicial powers, may issue an order imposing minor penalty or major penalty on the CSO or exonerate him of the charges if in his opinion none of the charges have been proved and/or what has been proved is non-actionable.
- **The final order passed by the Disciplinary Authority should be a well-reasoned speaking order. The speaking order should also make specific mention of disciplinary and conduct rules under which the punishment is imposed.**
- While imposing the punishment on the officer, the disciplinary authority should ensure that the punishment imposed is commensurate with the gravity of the lapses/misconducts proved against the CSO. He may also take into account at this stage the following other criteria:
 - ✓ the extenuating circumstances, as they emerge from the inquiry; and

- ✓ the track record of the Charge Sheeted Officer.
- It should also be ensured that the punishment so imposed is not academic or ineffective or redundant; for example, there is no point in imposing a penalty of withholding of an increment, if the CSO has already been drawing pay at the maximum of the pay scale. Similarly, there is no point in imposing a penalty of withholding of promotion for a specified period if the officer is not due for promotion.
- In any case, the Disciplinary Authority should consider the 'effect of penalty' on the CSO/CSE in monetary terms also. It should neither be negligible nor too harsh and out of proportion to the loss caused to the bank.
- If an Officer is placed under suspension pending departmental inquiry, on conclusion of the departmental inquiry while passing final order, if no capital punishment i.e. punishment short of dismissal/compulsory retirement or removal is imposed; in that case the DA will take care to simultaneously revoke the suspension of Officer and give suitable instructions for reporting for duties. Similarly, whether the period of suspension should be treated on duty or not and whether payment of salary and allowances for the said period of suspension other than the subsistence allowance is to be made or not, should be clearly mentioned.
- While passing order for imposition of penalty, DA should mention that he concurs with findings of IA (If there is disagreement, speaking order is sent at the time of calling submissions). **But the words that “on approval from or taking concurrence from he has come to the conclusion/opinion to impose the penalty” should not be used.** This is because, in the eyes of law, DA has to act independently while deciding and /or imposing penalty.

12.2.10 Communication of orders:

- Order made by DA either under Regulation 7 or Regulation 8 of said Regulation should be communicated to the Officer concerned against his proper acknowledgement.
- DA should also ensure that final order passed imposing any punishment is actually implemented and not merely served upon the Officer.

12.3 Procedure for Major penalty proceedings in case of AWARD STAFF:

12.3.1 Issuance of Chargesheet:

If there is prima-facie case for imposing punishment, Disciplinary Authority has to institute departmental enquiry. Similarly, if the employee fails to make voluntary admission of his guilt to the punishment proposed under clause 12 (e), then also it is necessary to institute departmental enquiry. For this purpose issuance of chargesheet levelling specific misconducts as stipulated under Clause 5 or 7, as the case may be, is necessary. In other words, misconducts should be culled out only from the list enumerated in aforesaid two clauses and reproduced word by word. There should not be any deviation thereto.

12.3.2 Receipt and Scrutiny of Statement of Defence/ explanations:

- In normal course, Charge sheeted employee may be permitted 7 to 15 days' time, or such extended time as may be granted by the Disciplinary Authority looking to the circumstances in case to case, to submit a

written statement of defence. Extension of time for submission of written statement of defence may be allowed only for valid and genuine reasons.

- On receipt of statement of defence, Disciplinary Authority has to examine various averments/factors stated in the statement of defence and then take decision for appointing Enquiry Officer/Management Representative for holding departmental enquiry. If no statement of defence is received within the specified time limit, Disciplinary Authority may presume that employee concerned is not interested in availing of this opportunity and proceed further in the matter by holding departmental enquiry.
- In case the statement of defence is not satisfactory, the Charge sheeted Employee is to be informed of the same and about the decision to proceed with departmental enquiry. A suitable memorandum to this effect should be issued to the employee concerned wherein name of the Enquiry Officer should be informed to him.
- If Disciplinary Authority, in the interest of justice, thinks it expedient to complete enquiry expeditiously, he may depending upon the nature of the case order/institute the enquiry immediately by issuing Chargesheet and simultaneously appoint Enquiry Officer. In that case Charge sheeted Employee may be directed to submit his statement of defence within 7 to 15 days' time directly to the Enquiry Officer so appointed for the purpose of holding enquiry.

12.3.3 Appointment of Enquiry Officer/Management Representative:

- The Disciplinary Authority may himself hold an inquiry or direct any other officer of the Bank to hold an inquiry and also direct another officer to represent the Management's case. The Disciplinary Authority is also empowered to impose any of the punishment provided for in Clause 6 and 8 of Bipartite Settlement dated 10.04.2002.
- If Disciplinary Authority appoints any other officer to hold an inquiry he shall forward to such Enquiry Officer following documents:
 - A copy of Chargesheet
 - Copy of statement of defence if any submitted by the Charge sheeted Employee.
 - Acknowledgement copy of Chargesheet as proof of delivery of Chargesheet to Charge sheeted Employee.
 - Copy of appointment order of Management Representative.
- Management Representative is required to prepare list of documents by which and list of witnesses by whom, he proposes to substantiate allegations/misconducts and will lead evidence at the enquiry to prove the same.

2.3.4 Defence Representative:

- Chargesheeted Employee may be permitted to be defended by a person as mentioned under Clause 12 (a) (i) (ii) and (iii) of Bipartite Settlement dated 10.04.2002. CSE can also defend his own case if he so desires.

2.3.5 Findings of EO:

- On conclusion of the enquiry and on receipt of written brief from both the parties, the EO should record his findings/enquiry report and submit it to the Disciplinary Authority in triplicate along with the copies of enquiry proceedings, exhibits produced during the course of the inquiry, written statement of defence, if any, submitted by CSE, copies of written brief submitted by both the parties and other related correspondence.

2.3.6 Quantum of punishment and passing final order:

- On receipt of findings of EO, the Disciplinary Authority has to decide the quantum of punishment to be imposed on CSE. There are no set rules for deciding quantum of punishment and it will depend on nature of each case. Further the punishment should be commensurate with the nature and gravity of misconduct/s proved. It should be borne in mind that the punishment so imposed is not of academic interest or ineffective, e.g. if employee has reached the maximum scale of pay, there is no point in imposing punishment of stoppage of increment as there will not be any scope to implement the same. Following factors should be kept in mind while deciding quantum of punishment:
 - Nature and gravity of misconduct/s proved.
 - Extenuating factors/circumstances as they emerge in the inquiry.
 - Past service record of the CSE
 - Financial loss, if any, caused to the Bank.
 - Acts involving malafide intentions/moral turpitude
- Punishment may be punitive or reformatory depending upon the gravity of the proved misconduct and should give right signal to others. All these facts will have to be considered/ borne in mind by the Disciplinary Authority while deciding quantum of punishment. It is pertinent to note that if the case is registered as vigilance case and departmental inquiry was instituted after seeking 1st stage advice of Vigilance Department, matter be referred to them for their 2nd stage advice with regard to the punishment to be imposed on CSE.
- While seeking 2nd stage advice, following papers be necessarily sent to Vigilance Department for their perusal:
 - Copy of Charge Sheet issued to the CSE
 - Arguments by MR/DR
 - Findings of the Enquiry Officer
 - Tabular format culling out the allegations/charges leveled against the CSE, findings of the Enquiry Officer, para-wise comments thereon by the Disciplinary Authority
 - Bio-data of CSE
 - Status of account / loss, if any, caused to the Bank

2.3.7 Personal Hearing:

- As per provision of Clause 12 of Bipartite Settlement dated 10.04.2002 Charge Sheeted Employee is entitled to a personal hearing as regards the nature of proposed punishment in case charges are established against him at the inquiry. Therefore, after completion of inquiry and on receipt of findings of the Enquiry Officer as also on receipt of 2nd stage advice if the matter is registered as a vigilance case, the Disciplinary Authority has to give an opportunity of personal hearing, by providing him with a copy of EO's findings. The proceedings of personal hearing be recorded and only after considering the submissions made during personal hearing, pass the final order.

2.3.7 Final Order and its Communication:

- After personal hearing the Disciplinary Authority will pass final order which should be in the form of speaking order.
- The final order passed by Disciplinary Authority should be communicated to the Chargesheeted Employee concerned against his proper acknowledgement. As per the provisions of Bipartite Settlement, in case the CSE is remaining absent unauthorizedly, the remittance of final order by Regd. A/D at the last known residential address is considered as good service.
- It should be ensured that final order passed imposing any punishment is actually implemented and not merely served upon the Award Staff employee concerned.

- If the employee is placed under suspension, while issuing the final order, decision about revocation and effects of suspension period should be clearly mentioned.
- Formats of Final Orders in case of minor and major penalty proceedings are attached as Annexure - XIII and XIV.

Penalties which can be imposed on Officer Employees are mentioned under Regulation 4 of Union Bank of India Officer Employees' (Discipline and Appeal) Regulations, 1976). The following are the penalties which may be imposed on an Officer Employee, for acts of misconduct or for any other good and sufficient reasons:

	Penalty	Implications
i)	Censure	a) The order of 'Censure' is to convey that the officer concerned is found guilty of misconduct and for which it has been found necessary to award him formal punishment. b) This is recorded in service record of the officer employee and may or may not effect adversely on his merit of suitability for promotion to higher post. c) Promotion Rigor: No effect There is no rigour for this punishment in our Bank and the concerned officer employee can participate in the process of promotion to higher grade/scale after imposing of the punishment. However, if during currency of promotion process 'sealed cover' procedure is adopted then this penalty will have effect of non-opening the 'sealed cover' and thus the concerned employee will have to forgo the promotion.
ii)	Withholding of increments of pay with or without cumulative effect	a) Without cumulative effect: The increment will be withheld for the specified period and the same would be released after expiry of the specified period. Further increments would also be released as and when they are due. b) With Cumulative effect: In such cases, the withheld increments would be released on expiry of the specified period in the penalty and subsequent increments would be postponed to future dates. c) Promotion Rigor: the rigor will be operative for one year or for one promotion process after infliction of penalty whichever is earlier
iii)	Withholding of promotion	a) May not have immediate pecuniary loss to the officer concerned but rigors of the penalty are severe. b) Results in loss of seniority for future promotions. c) May have the bearing of permanent nature in career path which can be destructive. d) The implementation of penalty may also become in-fructuous where the officer concerned is not likely to be promoted in near future or refuse to take promotion. e) This penalty should be imposed with due caution and after taking in to account all the factors. f) Promotion Rigor: the rigor will be operative for one year or for one promotion process after infliction of penalty whichever is earlier
iv)	Recovery from pay	a) The penalty should be imposed only when it has been established that the concerned officer was directly responsible for a particular act or acts of negligence or breach of orders which caused the loss. b) The DA should clearly indicate as to how exactly the negligence on the part of official concerned was responsible for the loss. c) The penalty should not be imposed for likely or apprehended loss. d) The amount of recovery of loss ordered by way of major penalty can be reduced at any lower stage if it is found that the amount of loss is less than what it was originally calculated. e) Promotion Rigor: the rigor will be operative for one year or for one promotion process after infliction of penalty whichever is earlier

v)	Minor penalty of Reduction to a lower stage	The penalty specified under sub-regulations 4(e) provides to reduction to lower stages: a) Not exceeding 3 years. b) Without cumulative effect. c) Not adversely affecting pension. The effect of penalty is for limited period specified in the speaking order. The officer concerned will draw a salary at a lower stage for the specified period. The pay of the officer concerned gets restored after expiry of the specified period. d) Promotion Rigor: the rigor will be operative for one year or for one promotion process after infliction of penalty whichever is earlier
vi)	Major penalty of Reduction to a lower stage (should be with further direction as under or with cumulative effect)	a. Reduction to a lower stage up to 3 years without cumulative effect cannot be imposed as major penalty. Hence, penalty of reduction to lower stage for up to 3 years has to have directions that the officer will not earn increments during the period such reduction and on expiry of such period, the reduction will have the effect of postponing the future increments. b. Reduction to lower stage is not permissible for an unspecified period. c. If the order of reduction lays down that the period of reduction shall not operate to postpone future increments, on restoration the officer concerned will be entitled to the pay which he would have drawn but for the order of reduction. d. Promotion Rigor: Not eligible to participate in promotion process for the period of one year from the date infliction of penalty. (if the order of reduction lays down that the reduction should operate to postpone future increments, then the pay as drawn before imposition of penalty would be restored after expiry of specified period but the period of reduction will not be counted for future increments)
vii)	Major penalty of Reduction to a lower grade or post	a) An officer would be placed in the lower grade, b) However, he will be eligible for promotion in the normal course, in accordance with his eligibility for such promotion and subject to other extant conditions. c) Promotion Rigor: Not eligible to participate in promotion process for the period of two year from the date infliction of penalty.
viii)	Compulsory Retirement / Removal/ Dismissal	d) An officer imposed with a punishment of Compulsory Retirement or Removal or Dismissal ceases employment and pay & allowances with immediate effect. It cannot be retrospective effect. e) Under removal or compulsory retirement Bank's contribution to PF/Pension cannot be withheld. However, gratuity can be forfeited to the extent of loss and moral turpitude. Further, the encashment of accumulated leave is also not allowed. f) Under 'Dismissal' except for employees own contribution to PF all other benefits are forfeited.

14.3 IMPLEMENTATION OF THE PENALTY:

The penalties imposed by the Disciplinary Authority shall be updated in Biodata of the concerned employee and it should be implemented properly in Union Parivar immediately. The Regional office, under whose jurisdiction the employee is presently posted, should ensure the implementation of the penalty in Union Parivar.

The following are some examples of the implementation of the penalties:

A. Minor Penalty as in Regulation 4 (e)

Penalty : Reduction in pay by two stages for a period of Two Years
 Normal date of increment : 1st September
 Date of Penalty : 01.02.2016

Date	Basic Pay in the normal course	Basic Pay after Penalty
01.09.2015	27620	27620
01.02.2016	27620	25660
01.09.2016	28600	26640
01.09.2017	29580	27620
01.02.2018	29580	28600
01.09.2018	30560	30560

B. Major Penalty as in Regulation 4 (f)

Penalty : Reduction in pay by two stages in the time scale for a period of two years with further directions as in Sub-regulation (f)
 Normal date of increment: 1st September
 Date of Penalty : 01.02.2016

Under the four possibilities as in Regulation 4 (f), the Basic Pay movement of the Officer during the currency of the penalty would be as follows:

Case 1: Officer earns increments during the period of punishment - without cumulative effect:

Date	Basic Pay in the normal course	Basic Pay after Penalty
01.09.2015	27620	27620
01.02.2016	27620	25660
01.09.2016	28600	26640
01.09.2017	29580	27620
01.02.2018	29580	29580 (reduced basic pay restored)
01.09.2018	30560	30560

It should be noted that the reduction of pay by two stages is constant throughout the punishment period; on the expiry of the period of punishment the officer's pay will be restored to the stage in the time scale which he would have reached in the normal course but for the punishment. Implementation of this punishment is similar to that in Regulation 4 (e).

Case 2: Officer earns increment during the period of punishment - with cumulative effect:

Date	Basic Pay in the normal course	Basic Pay after Penalty
01.09.2015	27620	27620
01.02.2016	27620	25660
01.09.2016	28600	26640
01.09.2017	29580	27620

01.02.2018	29580	27620
01.09.2018	30560	28600

The reduction of pay by two stages is constant throughout the punishment period and will have the effect even after the period of punishment is over, since the punishment is to have cumulative effect.

Case 3: Officer will not earn increments during the period of punishment - without cumulative effect:

Date	Basic Pay in the normal course	Basic Pay after Penalty
01.09.2015	27620	27620
01.02.2016	27620	25660
01.09.2016	28600	25660
01.09.2017	29580	25660
01.02.2018	29580	29580
01.09.2018	30560	30560

The officer would continue to draw the reduced pay of Rs.25660/- throughout the period of punishment and on the expiry of the punishment period his pay will be fixed at the stage in the time scale which he would have reached but for the punishment as it has been ordered that the period of reduction will not have the effect of postponing his future increments.

Case 4: Officer will not earn increment during the period of punishment – with cumulative effect:

Date	Basic Pay in the normal course	Basic Pay after Penalty
01.09.2015	27620	27620
01.02.2016	27620	25660
01.09.2016	28600	25660
01.09.2017	29580	25660
01.02.2018	29580	27620
01.09.2018	30560	28600

On the expiry of the period of punishment, i.e. on 01.02.2018 the officer's pay will be restored to the same stage in the time scale from which he was reduced i.e. Rs.27620/-. The period from 01.09.2015 to 31.01.2016 during which he drew the pay of Rs.27620/- will be taken into account for determining the date his next increment to the stage of Rs.28600/- from 01.09.2018 i.e. 2 years will be ignored in arriving the date of next increment.

- (i) If the enhanced penalty, which the Appellate Authority proposed to impose is a major penalty specified in clauses (f), (g), (h), (i) and (j) of Regulation 4 and an inquiry as provided in Regulation 6 has not already been held in the case, the Appellate Authority shall direct that such an enquiry be held in accordance with the provisions of regulation 6 and thereafter consider the record of the inquiry and pass such orders as it may deem proper;
- (ii) If the Appellate Authority decides to enhance the punishment but an enquiry has already been held as provided in Regulation 6, the Appellate authority shall give a show cause notice to the officer employee as to why the enhanced penalty should not be imposed upon him and shall pass final order after taking into account the representation, if any, submitted by the officer employee.
- The Appellate Authority shall dispose of the appeal within a period of ninety days from the date of its receipt from the appellant:

Provided that the time limit specified in this regulation shall not apply to cases having a vigilance angle and where major / minor penalty proceedings against the officer employee have commenced on recommendations of the Police or Central Bureau of Investigation or Central Vigilance Commission, as the case may be, investigating the matter.

- If the punishment is imposed as per CVO's advice, consultation of the CVO is necessary before disposal of the appeal, if Appellate Authority desires to modify the Order passed by the DA.

Award Staff:

- As per Clause 14 of Bipartite Settlement dated 10.04.2002, an employee on whom punishment has been imposed can prefer an appeal within 45 days from the date on which the original order of Disciplinary Authority has been communicated in writing to such employee. The Appellate Authority shall in case of dismissal only give an opportunity of personal hearing to such employee and/or his representative on the appeal before disposing off such appeal. However, in case of punishment short of dismissal such personal hearing is not required and the appeal should be disposed off within 2 months from date of receipt of the appeal by Appellate Authority.
- On receipt of appeal, the same will be placed before the concerned Appellate Authority with the comments of the Disciplinary Authority on the various grounds raised by the Appellant in his appeal. A copy of the requisite process note to be placed before the Appellate Authority furnishing various details of the case as well as the Appellant has already been provided to all Regional Offices at the time of decentralisation of disciplinary function.
- In case of punishment of dismissal/compulsory retirement/removal/ discharge, the Disciplinary Authority at local level should forward all connected papers / records of the case to I.R. Division, along with requisite process note and his comments on the grounds raised by the Appellant in his appeal so as to place the same before appropriate Appellate Authority at Central Office.

- Appellate Authority will consider the appeal placed before him and pass appropriate speaking orders either rejecting the appeal or reducing the punishment imposed by the Disciplinary Authority.

It is pertinent to mention here unlike Union Bank of India Officer Employees' (Discipline & Appeal) Regulations, 1976, under Bipartite Settlements, the Appellate Authority cannot enhance the punishment imposed on the delinquent employee, however, he may reduce or confirm the same.

- **Format of Process Note and order of Appellate Authority is enclosed as Annexures - XV and XVI.**

REVIEW PETITION :

Officers:

- The provision for review is made under Regulation 18 of the said Regulation. The Reviewing Authority may at any time within 6 months from the date of final order, either on his own motion or otherwise review the orders, when any new material or evidence which could not be produced or was not available at the time of passing the order under review and which has the effect of changing the nature of the case, has come or has been brought to his notice and pass such orders thereon as it may deem fit.
- If RA proposes to enhance the punishment, procedure as laid down in Regulation 18 will be followed. However, at the cost of repetition, it is mentioned that Review will be done at CO only by RA.

Suspension is an administrative action whereby an employee is kept out of duty temporarily pending departmental action / investigation. When allegations of serious nature are reported against an employee and when it is decided to investigate further in the matter / initiate departmental action, pending such investigation / action, employee concerned may be placed under suspension as the first step before any charges / allegations framed against him. Suspension is generally resorted to avoid interference of the employee in investigation and to ensure safety of material evidence.

It may be noted that the suspension is not a punishment. However, the employee placed under suspension faces great hardships financially as well as socially. Hence, suspension is to be resorted into very grave / serious cases. During suspension, relationship of master and servant does not cease and employee concerned continues to be the subject of same discipline and conduct. During suspension, he is bound to follow the lawful directions of his employer and all service conditions are applicable to him. The suspended employee is not permitted to leave his headquarters without permission of the Competent Authority. Similarly, he is not entitled to any leave, LFC and other related benefits arising out of service conditions. He can, however, be granted medical aid.

As suspension is likely to cause great hardship to the employee, it should be ensured that after placing the employee under suspension, further course of action be initiated expeditiously. Continuing an employee under suspension for a long period will also entail infructuous expenditure to the institution by way of payment of subsistence allowance without extracting any fruitful work from the employee.

When suspension is resorted to:

An Officer/Employee may be placed under suspension, in the following circumstances :

- (a) when disciplinary proceeding against him is contemplated or is pending; or
- (b) when a case against him in respect of any criminal offence is under investigation, enquiry or trial; or

Suspension can be ordered when, following a preliminary enquiry, the Competent Authority is satisfied that a prima facie case has been made out for departmental proceedings. Framing of definite charges and communication thereof to the Officer concerned is not a condition precedent.

In terms of para 3(a) of the Bipartite Settlement dated 10.04.2002 a workman can be placed under suspension if in the opinion of the Management he has committed an offence involving moral turpitude and he is prosecuted by a law enforcement agency or the Bank has taken steps to prosecute him.

Guiding Principles for Suspension:

The following circumstances may be considered appropriate to place an Officer / Employee under suspension:

- i) where his continuance in office will prejudice investigation, trial or any enquiry (e.g., apprehended tampering with witnesses or documents);
- ii) where his continuance in office is likely to seriously subvert discipline in the office in which he is working.
- iii) Where his continuance in office will be against the wider public interest.
- iv) Where a preliminary enquiry revealed a prima facie case justifying criminal or departmental proceedings, which are likely to lead to his conviction and/or dismissal, removal or compulsory retirement from service.
- v) Further, it may be considered desirable to suspend an Officer / Employee for misconduct / misdemeanor of the following types:
 - (a) In terms of para 3(a) of the Bipartite Settlement dated 10.04.2002 a workman can be placed under suspension if in the opinion of the Management he has committed an offence involving moral turpitude and he is prosecuted by a law enforcement agency or the Bank has taken steps to prosecute him,
 - (b) Corruption, embezzlement or misappropriation of Govt. money, possession of disproportionate assets, misuse of official powers for personal gains,
 - (c) serious negligence and dereliction of duty resulting in considerable loss to Govt.,
 - (d) desertion of duty, and
 - (e) refusal or deliberate failure to carry out written orders of superior officers.

Suspension on CBI's Recommendations:

CBI would also recommend suspension of the concerned employees in appropriate cases. If the Competent Authority does not propose to accept the CBI's recommendations in this regard, it may be treated as a case of difference of opinion between CBI and the Administrative Authority and the matter may be referred to the CVC for its advice. If an employee had been suspended on the recommendations of the CBI, the CBI may be consulted if the administrative authority proposes to revoke the suspension order.

Classification: Confidential

No leave shall be granted to an officer employee under suspension.

Deemed Suspension:

Under Regulation 12(2) of Officer Employees' (Discipline & Appeal) Regulations, an Officer shall be deemed to have been placed under suspension by an order of Competent Authority in the following circumstances:

- a) If he is detained in custody, whether on a criminal charge or otherwise, for a period exceeding forty-eight hours.
- b) If in the event of a conviction for an offence, he is sentenced to a term of imprisonment exceeding forty-eight hours.

If an Officer who has been detained for a period exceeding forty-eight hours is later on released on bail, such release will not affect the deemed suspension, which will continue to be in force until revoked by the Competent Authority.

The period of forty-eight hours referred to in a category (b) above will be computed from the commencement of imprisonment after the conviction and intermittent period of imprisonment, if any, will be taken into account.

A duty has been cast on the officer employee, who is arrested for any reason to intimate promptly the fact of his arrest and the circumstances connected therewith to his official superior even though he might have been released on bail subsequently. Failure to do so will be regarded as suppression of material information rendering him liable to disciplinary action on this ground alone, apart from the action that may be called for on the outcome of the police case against him.

As per Regulation 12(3) of D&A Regulations, where a penalty of dismissal, removal or compulsory retirement from service imposed upon an officer under suspension is set aside in appeal or on review and the case is remitted by the appellate or reviewing authority for further enquiry or action or with any other direction, the order of suspension will be deemed to have been continued in force on and from the date of original order of dismissal, removal or compulsory retirement and shall remain in force until further orders.

As per Regulation 12(4) of D&A Regulations, where a penalty of dismissal, removal or compulsory retirement from service imposed upon an officer employee under suspension is set aside or declared or rendered void in consequence of or by a decision of a Court of Law, and the Disciplinary Authority, on consideration of the circumstances of the case, decides to hold further inquiry against him on the allegations on which the penalty of dismissal, removal or compulsory retirement was originally imposed, the Officer employee shall be deemed to have been placed under suspension by the Competent Authority from the date of the original order of dismissal, removal or compulsory retirement and shall continue to remain under suspension until further orders.

Date of Effect of Suspension:

Except in cases in which an employee is deemed to have been placed under suspension an order of suspension can normally take effect only from the date on which it is made or subsequently and not retrospectively. The officer who is placed under suspension should be simultaneously communicated of the order. A retrospective order will be both meaningless and improper.

Once an order is issued and is sent out to the concerned officer, it must normally be held to have been communicated to him.

In the case of deemed suspension; the suspension order is effective from

- i. the date of detention, in the case of detention for a period exceeding forty-eight hours;
- ii. the date of conviction, in the event of conviction for an offence and sentence to a term of imprisonment exceeding forty-eight hours; and
- iii. the date of original order of dismissal / removal / compulsory retirement, in the case of such penalty having been set aside by Appellate / Reviewing Authority / decision of a Court of Law.

HEADQUARTERS DURING SUSPENSION:

The place at which an Officer is posted at the time of suspension would remain at the Head Quarter during suspension for all purposes. The competent authority may, however for reasons to be recorded in writing, fix any other place as his headquarters.

Appeal against Suspension:

Though suspension in itself is not a punishment, as it constitutes a great hardship for the officer, relief is available to him by way of appeal. Regulation 17 of Discipline & Appeal Regulations provides for an officer preferring an appeal against an order of suspension made or deemed to have been made under Regulation 12.

It is implied that an officer placed under suspension should generally know the reasons leading to his suspension so that he may be able to appeal against it, if he so desires. Normally, the order placing him under suspension would itself contain a mention about disciplinary proceedings against him pending or a case against him in respect of criminal offence under investigation, inquiry or trial. Where, however, suspension is on the ground of 'contemplated' disciplinary proceedings, the reasons for suspension should be communicated to the officer immediately on the expiry of the time-limit prescribed for the issue of a charge-sheet, viz. three months from the date of suspension, so that he may be in a position to effectively exercise the right of appeal available to him. The time limit of 45 days for submission of appeal in such cases will count from the date on which the reasons for suspension are communicated.

The Appellate Authority should consider whether in the light of the provisions of Regulation 12 and having regard to the circumstances of the case, the order of suspension is justified or not and confirm or revoke the order accordingly.

Treatment of periods of Suspension:

Workmen employees [Para 12(b) of Bipartite Settlement dated 10.04.2002]

If on the conclusion of the enquiry it is decided to take no action against the workman employee he shall be deemed to have been on duty and shall be entitled to the full wages and allowances and to all other privileges for the period of suspension; and if some punishment other than dismissal is inflicted the whole or a part of the period of suspension, may, at the discretion of the Management be treated as on duty with the right to a corresponding portion of the wages, allowances, etc.

Officer Employee (Regulation 15 of Discipline & Appeal Regulations)

- 1) Where the Competent Authority holds that the Officer employee has been fully exonerated or that the suspension was unjustifiable, the officer employee concerned shall be granted the full pay to which he would have been entitled, had he not been suspended, together with any allowance of which he was in receipt immediately prior to his suspension, or may have been sanctioned subsequently and made applicable to all officer employees.

- 2) In all cases other than those referred to in sub-regulation (1) the Officer employee shall be granted such proportion of pay and allowance as the Competent Authority may direct;

Provided that the payment of allowances under this sub-regulation shall be subject to all other conditions to which such allowances are admissible;

Provided further that they pay and allowances granted under this sub-regulation shall not be less than the subsistence and other allowances admissible under Regulation 14.

- 3) a) In a case falling under sub-regulation (1), the period of absence from duty shall, for all purposes, be treated as a period spent on duty;
- b) In a case falling under sub-regulation (2), the period of absence from duty shall not be treated as a period spent on duty unless the Competent Authority specifically directs, for reasons to be recorded in writing, that it shall be so treated for any specific purpose.

Payment of Subsistence Allowance:

Workmen

As per paragraph 557 of the Sastry Award and paragraph 17, 14 of the Desai Award, as partially modified by paragraph 5 of the Bipartite Settlement dated 8th September, 1983, the subsistence payable to workmen during period of suspension is to be calculated as under:

(A) Where the enquiry is departmental by the Bank –

- (1) Where the investigation is not entrusted to or taken up by an outside agency (i.e. Police /CBI) :
- a) for the first three months of suspension, one third of the pay and allowances, which the workmen would have got but for the suspension;
- b) for the period of suspension, if any, thereafter, one-half of the pay and allowances which the workman would have got but for the suspension provided that after one year of suspension full pay and allowance will be payable if the enquiry is not delayed for reasons attributable to the concerned workman or any of his representatives.
- (2) Where the investigation is done by an outside agency (i.e. Police / CBI) i.e.; the investigation is followed by a departmental enquiry by the bank and not by prosecution.
- a) for the first three months of the suspension one-third of the pay and allowance which the workman would have got but for the suspension;
- b) for the period of suspension, if any, thereafter, one-half of the pay and allowances which the workman would have got but for the suspension;

Provided that full pay and allowances will be payable after six months from the date of receipt of report of the investigating agency that it has come to the conclusion not to prosecute the employee or one year after the date of suspension, whichever is later;

And provided further that the enquiry is not delayed for reasons attributed to the concerned workman or any of his representatives.

- (B) Where the enquiry is held by an outside agency including trial in a Criminal Court (irrespective of whether the trial, etc. is proceeded by an investigation by an outside agency (i.e. Police / CBI) or not;
- a) for the first six months of the suspension, one-third of the pay and allowances which the workman would have got but for suspension;
 - b) for the period of suspension, if any, thereafter one-half of the pay and allowances, which the workman would have got but for suspension, until the enquiry is over.

Officers

Regulations 14 of the Discipline & Appeal Regulations deals with the payment of subsistence allowance to officers during period of suspension.

An officer who is placed under suspension is entitled to a subsistence allowance on the following scale:

- a) Basic Pay :
 - i) for the first three months, one-third of the basic pay, which the Officer was receiving on the date prior to the date of suspension, irrespective of the nature of enquiry.
 - ii) for the subsequent period after 3 months from the date of suspension:
 - (1) where the enquiry is held departmentally by the Bank, half of the basic pay which the officer was drawing on the date prior to the date of suspension; and
 - (2) where the enquiry is held by an outside agency, one-third of basic pay which the Officer employee was drawing on the date prior to the date suspension for the next three months and half of the basic pay which the Officer employee was drawing on the date prior to the date of suspension for the remaining period of suspension.

b) Allowances :

For the period of suspension, dearness allowance and other allowances excepting conveyance allowance, entertainment allowance and special allowance will be paid on the reduced pay as specified in clause (a) and at the prevailing rates or as per rates applicable to similar category of Officers.

During the period of suspension, an Officer Employee shall not be entitled to occupation of a rent free house or free use of the Bank's car or receipt of Conveyance or Entertainment allowance or Special Allowance.

Non-Employment Certificate:

The payment of subsistence allowance is subject to the Officer employee under suspension furnishing a certificate every month to the effect that he is not engaged in any employment, business, profession or vocation.

Effecting of Recoveries/Permissible Deductions:

From time to time, the Management has given suitable guidelines with regard to the deductions to be effected from subsistence allowance. For example, Staff Circular No. 1804 dated 28.05.1976 (appearing on page no. 272 of Staff Circular Volume - I) was issued in the past in this regard giving a list of the permissible deductions from subsistence allowance. The same has now been suitably amended in terms of Circular Letter No. 6118 dated 18.11.2003 as under:

1. The following compulsory deductions can be enforced from the subsistence allowance:
 - (i) Income Tax, provided the employee's yearly income calculated with reference to the subsistence allowance is taxable.
 - (ii) House rent and allied charges like electricity, water, furniture, etc.
 - (iii) Repayment of loans and advances taken from the Bank at such rates as may be fixed, if necessary, by the Competent Authority.
2. The following deductions are optional and should not be made except with the written consent of the employee :
 - (i) Premia due on Life Insurance Policies
 - (ii) Amount due to Co-operative Credit Societies
 - (iii) Refund of advances taken from Provident Fund.
3. The following deductions should not be made from the subsistence allowance:
 - (i) Subscription to Provident Fund
 - (ii) Profession Tax
 - (iii) Amount due on Court attachments
 - (iv) Recovery of loss to Bank for which an employee is responsible.

Increments during Suspension

Workmen

The release of increments, which fell due during the period of suspension would be as directed by the Disciplinary Authority while passing final orders at the conclusion of the disciplinary proceedings.

However, in view of the specific wordings in the Bipartite Settlement governing payment of subsistence allowance to a workman under suspension, increments falling due during the period of suspension are to be reckoned for the purpose of calculation and payment of subsistence allowance. This, however, do not amount to release of increments for the period.

Officers

The release of increments, which fell due during the period of suspension would be as directed by the Disciplinary Authority while passing final orders at the conclusion of the disciplinary proceedings.

Unlike workmen, the increments which fall due during the period of suspension are not to be reckoned for calculating subsistence allowance payable because in terms of provisions of Regulation 14 of Discipline & Appeal Regulation subsistence allowance is to be calculated with reference to the pay that the Officer employee was drawing on the date prior to the date of suspension.

Revision of Scales of Pay during Suspension:

Workmen

When the scale of pay of the cadre in which the employee was as on the date of suspension is revised either with effect from a date prior to the date of suspension or from a date falling during the period of suspension, the effect of the revised pay scales are to be given effect to while calculating and paying subsistence allowance to the workmen concerned.

Officers

When the scale of pay of the post held by the officer under suspension is revised with effect from a date prior to the date of suspension, then for the purpose of subsistence allowance the revised scales of pay are to be reckoned. If, however, the revised scales of pay are to take effect from a date posterior to the effective date of suspension of the Officer then the effect of the revised scales of pay are not to be given while calculating subsistence allowance payable.

However, when he is reinstated in the post upon revocation of suspension the stage in the scale of pay in which he will be placed on such revocation would be according to whether or not the period of suspension is treated as periods spent on duty and will be with reference to the revised scales of pay.

Revocation of Suspension:

Revocation of Suspension in serious cases may be done in the following cases:

- A. On Completion of Departmental Enquiry, when -
 - i. A decision is taken that no formal proceedings are to be initiated for penalty of (i) Dismissal, (ii) Removal from service, (iii) Compulsory Retirement and Reduction in salary;
 - ii. If the employee is exonerated of charge(s);
 - iii. Decision to award a Penalty other than of dismissal of Compulsory Retirement or Removal from service is taken;
- B. On completion of Investigation, when-
 - i. Completion of investigation does not disclose prima-facie commission of a criminal offence; Acquittal by the Court. Further, a decision is taken that no departmental investigation needs to be initiated on the basis of evidence disclosed in the investigation or on the basis of facts, which led to launching of prosecution in a Court of Law.

The format for conveying the suspension order to the employee is enclosed as Annexure XIX.

Authorities for placing Officers under suspension :

- Regulation 20(3) (iii) of Officers' Service Regulations enables such continuation for the purpose of taking the pending disciplinary proceedings to a logical conclusion.

- The Officer in such cases shall cease to be in service on the date of superannuation. Notionally 'Employer-Employee' relationship is continued till disposal of the case.
- No pay or allowance during the period from date of superannuation to date of final order.
- Not entitled to receive retirement benefits till proceedings are completed and final order is passed (except own contribution to CPF).

- In such cases gratuity can be withheld and provisional pension sanctioned subject to final adjustments at the conclusion of disciplinary proceedings and passing of final orders.

Note:

It has been held that provision for withholding of gratuity pending enquiry in Conduct and Disciplinary Action Rules is not in conflict with Section 4 of Payment of Gratuity Act 1972 and that it aids the power of employer to forfeit gratuity under Section 4 (6) of the Act - 1996 Lab IC 140 (Kant).

18. DISCIPLINARY ACTION UNDER PENSION REGULATIONS

- No provision either under Officers' Service Regulations or Bipartite Settlement for such action once the employee has retired from service.
- However, enquiry to prove charges can be instituted against a Pensioner in respect of –
 - a. His conduct post retirement while in receipt of pension
 - b. Grave misconduct or negligence or criminal breach of trust or forgery or acts done fraudulently during the period of his service.
- Under provisions of Regulations 43, 44 and 45 of Bank (Employees') Pension Regulations, 1995 in respect of a pensioner who after retirement from services is convicted of a serious crime or criminal breach of trust or forgery or acting fraudulently or is found guilty of grave misconduct the Competent Authority may by order in writing withhold or withdraw, a pension or a part thereof either permanently or for a specified period.
- In case of conviction by a Court of Law, action has to be taken in the light of judgement of the court.
- In case of grave misconduct, before passing an order, procedure prescribed under Officer Employees' (Discipline & Appeal) Regulations or the Bipartite Settlement, as the case may be, is to be followed. (Regulation 45)

- For the meaning of the terms 'serious crime', 'grave misconduct' 'fraudulently', 'criminal breach of trust' and 'forgery', please see explanation below Regulation 46 of Bank (Employees') Pension Regulations, 1995.
- Under Regulation 48 of Bank (Employees') Pension Regulations, 1995, a pensioner who is found guilty of grave misconduct or negligence or criminal breach of trust or forgery or acts done fraudulently during the period of his service in any departmental or judicial proceedings, shall have his pension withheld or withdrawn, either in part or in full permanently or for a specified period by the Competent Authority, after consultation with the Board of Directors, who may also order recovery from pension of the whole or part of the pecuniary loss caused to the Bank.
- Where departmental /judicial proceedings are instituted post retirement, such institution shall not be in respect of a cause of action which arose or **in respect of an event which took place more than 4 years before such institution.** (Regulation 48).
- An employee who has retired on attaining the age of superannuation or otherwise and against whom any departmental or judicial proceedings are instituted or where departmental proceedings are continued, a Provisional Pension, equal to the maximum pension which would have been admissible to him/her, would be allowed subject to adjustment against final retirement benefits sanctioned to him/her, upon conclusion of the proceedings but no recovery shall be made where the pension finally sanctioned is less than the provisional pension or the pension is reduced or withheld etc., either permanently or for a specified period. (Regulation 46).

Explanation:

- a. The expression of 'serious crime' include involving an offence under the Official Secrets Act, 1923 (19 of 1923);
 - b. The expression 'grave misconduct' includes the communication or disclosure of any secret official code or password or any sketch, plan, model, article, note, document or information such as is mentioned in section 5 of the Official Secrets Act, 1923 (19 of 1923) which was obtained while holding office in the bank so as to prejudicially affect the interest of the general public or the security of the State;
 - c. The expression 'fraudulently' shall have the meaning assigned to it under section 25 of the Indian Penal Code, 1860 (45 of 1860);
 - d. The expression 'criminal breach of trust' shall have the meaning assigned to it under section 405 of the Indian Penal Code, 1860 (45 of 1860);
 - e. The expression 'forgery' shall have the meaning assigned to it under section 463 of the Indian Penal Code, 1860 (45 of 1860).
- An employee against whom departmental or judicial proceedings have been instituted before the date of his retirement or a person against whom such proceedings are instituted after the date of his retirement shall not be eligible to commute a fraction of his provisional pension, or pension, as the case may be, authorized under the regulations during the pendency of such proceedings. **(Regulation 47)**
 - It may be added here that it should be the endeavour of the Disciplinary Authorities to ensure that the Disciplinary Proceedings initiated against any employee, who is due to retire, are finalized expeditiously and preferably before his / her retirement so that the need of continuing such proceedings beyond the date of superannuation does not arise. Also disciplinary proceedings instituted against a pensioner employee after

retirement should be completed expeditiously. It may bear repetition in this connection that completion of disciplinary proceedings within 6 months is mandated.

In view of the above, it is imperative to quantify the loss caused to the Bank while forfeiting the Terminal Benefits payable to the punished official. As such, in the cases of imposition of stiff major penalty (i.e. dismissal/ compulsory retirement/removal), the Disciplinary Authorities at local level should, after disposal of the appeal as well as Review Petition (in case of Officers), inform I.R. Division the exact amount of loss caused to the Bank due to prove misconduct on the part of delinquent official so as to place the matter before the Chairman & Managing Director / Executive Director for forfeiture of Terminal Benefit if any payable to the employee.

PD/GSN/UNION/G/G3/31 dated 11.04.2001 has clarified that as per Regulations 38 of Officers' Service Regulations, termination for any reason whatsoever, would disentitle an officer to the benefit of encashment of privilege leave.  - c) Disablement rendering him unfit for further service as certified by a medical officer approved by the Bank;
 - d) Resignation after completing ten years of continuous service; or
 - e) Termination of service in any other way except by way of punishment after completion of 10 years of service.
- 2) The amount of gratuity payable to an officer shall be one month’s pay for every completed year of service, subject to a maximum of 15 months’ pay.

Provided that where an officer has completed more than 30 years of service, he shall be eligible by way of gratuity for an additional amount at the rate of one half of a month’s pay for each completed year of service beyond 30 years.”

Award Staff:

In view of Clause 12.2 of the Bipartite Settlement dated 19.10.1966, forfeiture of gratuity of the employee is restricted to the extent of financial loss caused to the Bank due to proven misconduct. The said Clause 12.2 of Bipartite Settlement dated 19.10.1966 reads as under:

“There will be no forfeiture of gratuity for dismissal on account of misconduct except in cases where such misconduct causes financial loss to the bank and in that case to that extent only.”

Provisions of Payment of Gratuity Act, 1972:

The various Sections of Payment of Gratuity Act governing Payment / Forfeiture of Gratuity are reproduced hereunder:

Section 4 (5)

“Nothing in this section shall affect the right of an employee to receive better terms of gratuity under any award or agreement or contract with the employer.”

Section 4 (6)

Notwithstanding anything contained in sub-section (i)-

Classification: Confidential

- (a) the gratuity of an employee, whose services have been terminated for any act, willful omission or negligence causing any damage or loss to, or destruction of, property belonging to the employer, shall be forfeited to the extent of the damage or loss so caused.
- (b) the gratuity payable to an employee [may be wholly or partially forfeited].
 - (i) If the services of such employee have been terminated for his riotous or disorderly conduct or any other act of violence on his part; or
 - (ii) if the services of such employee have been terminated for any act which constitutes an offence involving moral turpitude, provided that such offence is committed by him in the course of his employment.”

Provisions of Bank's Gratuity Rules :

Clause 3 to Schedule “A” of the Bank's Gratuity Rules reads as under:

“In case of termination of service of the Member on account of misconduct, Gratuity payable either under, Clause 1 or Clause 2 hereof shall not be forfeited, except where such misconduct causes financial loss to the Bank (of which and of the amount of which the Bank shall be the sole judge and its decision final) and in that case the forfeiture of the Gratuity shall be to extent of the financial loss only. The term ‘misconduct’ for this purpose shall inter alia include any act or wilful omission or negligence causing any damage or loss to or destruction of property belonging to the Bank. Gratuity payable under Clause 1 hereof shall be forfeited if the services of the Member have been terminated for his riotous or disorderly conduct or any other act of violence on his part or for any act which constitute an offence involving moral turpitude, provided that such offence is committed by him in the course of his employment”

Note:

- *In the judgment dated 14.08.2018 given by the Hon'ble Supreme Court of India Vs. C J Ajay Babu, it has been stated that:‘..... It is not the conduct of a person involving moral turpitude that is required for forfeiture of gratuity but the conduct or the act should constitute an offence involving moral turpitude. To be an offence, the act should be made punishable under law. That is absolutely in the realm of criminal law. It is not for the Bank to decide whether an offence has been committed. It is for the court.’*
- *‘Apart from the disciplinary proceedings initiated by the appellant-Bank, the Bank has not set the criminal law in motion either by registering an FIR or by filing a criminal complaint so as to establish that the misconduct leading to dismissal is an offence involving moral turpitude.’*
- *‘....requirement of the statute is not the proof of misconduct of acts involving moral turpitude but the acts should constitute an offence involving moral turpitude and such offence should be duly established in a court of law.’*
- *‘To sum-up, forfeiture of gratuity is not automatic on dismissal of service; it is subject to sub-section (5) and (6) of section 4 of the Payment of Gratuity Act, 1972.’*

20.3 Pension:

The provision in respect of forfeiture of pension is dealt at Regulation 22 of the Pension Regulations 1995 under the Head Forfeiture of Service. Regulation 22 (1) of the said Regulation reads as under:

“(1) Resignation or dismissal or removal or termination of an employee from the services of the Bank shall entail forfeiture of his entire past service and consequently shall not qualify for pensionary benefits”.

Chapter V of Pension Regulations deals with classes of pension and Regulation 31 and 33 of the said Chapter provides for Compassionate Allowance and Compulsory Retirement Pension, which reads as under:

Regulation 31 - Compassionate Allowance

“(1) An employee, who is dismissed or removed or terminated from service, shall forfeit his pension:

Provided that the authority higher than the authority competent to dismiss or remove or terminate him from service may, if –

- (i) such dismissal, removal, or termination is on or after the 1st day of November, 1993; and
 - (ii) the case is deserving of special consideration, sanction a compassionate allowance not exceeding two-thirds of the pension which would have been admissible to him on the basis of the qualifying service rendered up to the date of his dismissal, removal, or termination.
- (2) The Compassionate Allowance sanctioned under the proviso to sub-regulation (1) shall not be less than the amount of minimum pension payable under regulation 36 of these regulations.”

Regulation 33 - Compulsory Retirement Pension

- “(1) An employee compulsorily retired from service as a penalty on or after 1st day of November, 1993, in terms of Discipline and Appeal Regulations or settlement by the authority higher than the authority competent to impose such penalty may be granted pension at a rate not less than two-thirds and not more than full pension admissible to him on the date of his compulsory retirement if otherwise he was entitled to such pension on superannuation on that date.
- (2) Whenever in the case of a bank employee the Competent Authority passes an order (whether original, appellate or in exercise of power of review) awarding the pension less than the full compensation pension admissible under these regulations, the Board of Directors shall be consulted before such order is passed.
- (3) A pension granted or awarded under sub-regulation (1) or, as the case may be, under sub-regulation (2), shall not be less than the amount of rupees Three Thousand Nine Hundred & Eighty Five only per month.”

The guidelines regarding the competent authority for quantification of loss to the Bank on account of lapses of the delinquent employee and forfeiture of Gratuity and Provident Fund (own contribution) have been approved in Board meeting dated 25.03.2021 vide agenda no. HR-A-2.

## CENTRALIZED SANCTION OF LFC ADVANCE TO OFFICERS

[SC 6565 27.02.2017]

- It has been decided to centralize the sanction process of LFC advance at HR SUVIDHA w.e.f. from 06.03.2017
- Sanction of LFC advance for award staff members will continue to be approved/ sanctioned by the competent authority at branch/office level

### **New guidelines as per Staff Circular No.:6767 Date: 23.03.2018**

Various requests are being received from Employees / Unions / Associations regarding availment of LFC by women employees for their parents' in-law, treating them as their dependents.

As on date, wherever the income of the spouse exceeds Rs.10, 000/-, the female employees are not allowed to avail LFC for their parents-in-law as they are treated as dependent on their spouse and not on the female employees. The matter has since been taken up at various levels and after long drawn discussions with the Unions / Associations, it has been decided that w.e.f 01.04.2018, women employees of the Bank will be allowed to claim LFC either for their parents or parents in-law as dependents, subject to the condition that the individual or aggregate income of the parents or parents-in-law from any source does not exceed Rs. 10,000/-

A detailed Declaration of Dependents for availing LFC is enclosed as 'Annexure', which is to be uploaded by the employees while applying for LFC on declaration basis or applying for LFC advance/submitting LFC claim.

While on the subject, it may be mentioned that, frequent requests from staff members are being received by HR Suvidha for cancellation of LFC encashment, which has already been processed & sanctioned, on the grounds that, while submitting their claim, they have forgotten –

1. To apply for PL encashment and /or
2. To select the eligible dependents etc.

This is despite the fact that they have consciously ticked the online declaration, that they have visited the PL encashment page and also checked the eligible dependents while applying for LFC encashment. Such requests from staff members speak about the casual approach with which LFC encashment/ claims are being applied in the system. This not only results in delay in processing / sanction of LFC bills, but also creates a lot of difficulty in the upkeep of proper records.

In this context, attention of all concerned is drawn to Staff Circular Nos. 6329 dated 05.03.2016 and 6366 dated 16.05.2016, wherein some important points which are to be taken care of by staff members while submitting their claims, have been elaborated. At the cost of repetition, some of them are once again reiterated as under:

- **Timely booking of tickets enclosing fare chart**

In many cases, the tickets are booked by the employees after considerable lapse of time from the sanction of LFC advance / Leave. This results in higher cost of tickets and resultant revenue loss to the Bank. Staff Members are advised to get their LFC Leave /Advance sanctioned well in advance and to ensure that tickets are booked immediately after sanction of LFC leave / advance as also to take a copy of the comparative fare chart of the date of booking.

- **Travel by lowest fare – CVC Guidelines**

As per CVC guidelines, eligible staff members are to book Air tickets for LFC under the lowest refundable available economy fare for that day. A mandatory declaration by the staff members of having taken a copy of the travel date comparative fare chart of various airlines on the date of booking has already been introduced in the LFC module in Union Parivar. The online comparative fare chart can be generated from any of the travel portals like Make my Trip, Goibibo, Yatra, IRCTC, Cleartrip, Easemytrip, etc.

- **Home Town LFC :**

For Home Town LFC, it is mandatory that employees as well as their family members for whom LFC is being claimed must visit home town /domicile. Valid proof of having visited the hometown / place of domicile has to be submitted along with the LFC claims.

- **Purpose of Visit**

Staff members are advised to take utmost care while selecting 'purpose of visit'. Where domicile is not updated in Union Parivar, staff members are required to get the same updated by the HR Dept. of the

concerned Regional Office and only thereafter apply for Hometown LFC, instead of proceeding by selecting 'rest and recuperation' and later on requesting for modification in Union Parivar.

- **Requests for cancellation and re-apply LFC**

Staff members are advised to take proper care before submitting the PL encashment request and also to ensure that they have selected the eligible dependents for whom they wish to avail LFC. Prior to applying for LFC claim staff members should ensure that their dependents list is updated in Bio data in Union Parivar.

- **Travel by own car /taxi**

Staff members who prefer to travel by own car / taxi should obtain prior approval from the Regional Head/ Competent Authority and a copy of the approval letter is to be submitted along with the final claim. Mode of travel mentioned as personal car / taxi in the tour program will not be accepted as approval to travel by personal car /taxi.

**Staff members are informed that any request for cancellation of LFC, once sanctioned, on the ground that they have forgotten to apply for PL encashment and/or to select the eligible dependents will not be entertained.**

All staff members are required to take note of the above and are advised to exercise proper care before submitting LFC encashment request / LFC claims.

## **TRANSACTION IN STAFF ACCOUNTS**

**(Staff Circular No. 7001 dated 24.07.2019)**

Off-site Transactions Monitoring (OMC) Alert pertains to High Value Transactions in Staff Accounts

Attention of Officers and Award Staff is invited to Union Bank of Officers (Conduct) Regulations, 1976 and provisions of Bipartite Settlement governing the conduct of both cadres of staff members.

During the analysis of the alerts generated pertaining to high value transactions in staff accounts through Offsite Transactions Monitoring(OMC) by Audit Department at different levels, it has come to notice that various high value credit transactions and credit transfers in staff accounts from accounts of other staff members/unrelated accounts are observed. It is also observed that some of property/personal loans etc. without obtaining any prior permission from the Competent Authority in this regard.

As employees of Financial Institution and dealing with public money, staff members in both Officer and Award Staff cadre need to maintain discipline and transparency in their financial dealings and need to avoid transactions which are not related to them and beyond their source of income.

Hence, all the staff members are advised to desist from having above mentioned financial dealings and to operate their accounts within their known source of income. Further, before availing any loan from any other Bank/Financial Institution, prior permission from the Competent Authority be obtained to avoid unpleasant action in this regard.

## **AVOIDANCE OF ENGAGING IN SPECULATIVE ACTIVITIES**

**Staff Circular No. 7930, 17th March, 2023**

It has come to notice that a number of employees have been found to be regularly engaging in online betting/gambling including spending money on online games as well as frequent trading of shares/stocks/ commodities/ securities like options, during working hours from their staff COD accounts.

It has been reiterated in various circulars issued from time to time to refrain from such actions. Moreover, the purpose of staff COD has been clearly defined in the relevant circulars and limits so sanctioned cannot be utilized for speculative purposes.

Further, in line with Union Bank of India Officer's conduct regulations 1976, point no 18, involvement in any type of investment which could lead to embarrassment or influence the officer in discharge of their duties is a breach of the extant conduct regulations for officers. Moreover, as per memorandum of

settlement for employees dated 10.04.2002, it has been specified that gambling/ betting and speculating in stocks, shares, securities or any commodity are misconducts under point no 5(h) and 5(i). Indulging in such addictive habits has an adverse effect on the work culture of the office and has a direct bearing to the Bank's image and customer service. Rampantly engaging in such activities is detrimental to the mental health of the individual and it negatively affects work productivity and hence should be avoided.

It is once again stressed upon that proper decorum should be maintained at the office, at all times. In the event anyone is found engaging in such speculative activities, necessary disciplinary action may be initiated against them as per extant regulations.

#### **SERVICE OF SUMMONS ISSUED BY AUTHORITIES**

- **(Staff Circular. No. 6548 dated. 08.02.2017)**

It has come to our notice that summons issued in the name (in service/retired) officers/employees of the bank by various agencies like Police/Judiciary/CBI/Enforcement Directorate etc. and sent to the concerned branch/offices are not being delivered promptly to the concerned officer/employees which creates legal issues besides prejudice to the employee/officer concerned against whom these summons have been issued. Sometimes, summons are in vernacular language and therefore necessary care should be taken to ascertain the name and address of the employee/officer concerned to ensure proper service to him/her.

It may be mentioned that non service of summons would cause serious damage including arrest warrants/contempt against the concerned employee/officer who are required to respond to the summons as per date. Time and place mentioned on the same.

All concerned are therefore advised to ensure that summons if any, received in the name of any staff member (in service/retired) are to be served against their proper acknowledgement. Of late it has been observed that the employees/ officers are not adhering to the aforesaid guidelines in true spirit. It is needless to mention that every employee/ officer is a Brand Ambassador of the Bank and his/her appearance, and conduct leaves a lasting impact on the image of the Bank.

Every employee is a Brand Ambassador for the Bank and his or her appearance and demeanor plays lasting impact on the image of the Bank. Therefore, Employees are advised from time to time for being decently dressed and appropriately presentable at branches and offices.

The Bank has prescribed uniform for sub-staff cadre. However, in respect of others, though a specific uniform has not been prescribed, it is expected that they will present a clean and professional image of the Bank while discharging official duties or representing the Bank on other places.

Attention of all staff members is drawn to the Staff Circular No. 6810 dated 30.05.2018 advising not to forward their applications for deputation to external Offices / institutions /Departments directly without routing the same through proper channel. However, it is observed that despite of clear instructions few Staff members, Branches or

FGMOs / ROs are forwarding such applications to external institutions, without clearance from the Competent Authority. Such institutions are subsequently communicating about the applicants and their suitability for deputation, directly to Central. Office. Please note that any application for induction to external institutions on deputation basis is to be necessarily routed through H R Department, Central Office only and the Chief General

Manager (HR) is the Competent Authority to decide as to whether such applications are suitable / feasible for forwarding to the external institutions, based on the cadre-wise /Scale-wise manpower position of the Bank.

Accordingly, all applications for external deputation are initially to be forwarded to the HR, Central Office along with recommendations / comments of the respective Field General Manager / Regional Head / Vertical Head as to whether their Zone / Region / Vertical is in a position to spare the services of such applicant for external deputation, without seeking for substitute in their place.

### **ENGAGING SERVICES OF OUTSIDERS**

- SC 5258 dated 18.03.2006
- SC 5384 dated 27.04.2007
- SC 5480 dated 05.03.2008
- SC 6582 dated 20.03.2017
- SC 6839 dated 03.09.2018

All the concerned have been advised not to engage outsider to perform Bank's work. Engaging outsiders not only endangers the secrecy of the Bank's records but also sometimes, it is observed that such outsiders are involved in fraudulent activities thus putting the Bank's properties and working environment into jeopardy.

Despite clear cut instructions through abovementioned circulars, it has come to Bank's notice that Branch Managers are entrusting sensitive assignments like handling of ATM cards/PINS (which should be in the sole possession of the Dy. Branch Manager and Branch Manager), other computer related jobs to such outsiders by even parting with the IDs etc. These assignments are in itself confidential and sensitive in nature and should never be assigned to the outsiders nor should such sensitive information such as ID etc. shared with them.

It is further observed that casual laborers are being engaged indiscriminately despite clear cut instructions issued from time to time in this regard, resulting such casual labourers on getting access to the Branch, obtain Xerox copies of cash vouchers and other records of the Bank to file litigation against the Bank for regularization in the services of the bank.

All concerned are, therefore, once again advised not to engage an outsider. Violation of these instructions will be viewed seriously.

## IMPLEMENTATION OF GOODS & SERVICES TAX

(Staff Circular No. 6669, Date: 11.09.2017)

Goods and Services Tax (GST) has been implemented pan India w.e.f 1<sup>st</sup> July, 2017 as per the directives of Government of India. Various modules in our bank have also been updated with the current GST parameters to capture the complete data. This data requirement will be a continuous process now to enable the Bank to claim the benefit of the Input Tax Credit. Unless and until the Bank's GSTIN of respective state is mentioned in the Bill, Bank will not be able to avail Input Tax Credit.

For official journeys, employee would pay the bills along with GST and Bank will reimburse the same to the employee and claim input tax credit on the tax amount. There are various important modules pertaining to our department where GST would be applicable.

### 1. Travelling Expenditure reimbursement:

There are many components in travelling bills which attract GST such as Air tickets, taxi bills, Railway bookings, transportation charges, hotel expenses etc. Since accounting entries for travelling expenses are now required to be made as per every invoice submitted in a single travelling bill, as such expenditure on travelling bills now requires mechanism to capture data regarding GST number etc. so as to get the benefit of the Input credit for the expenditure incurred on the Official journey undertaken by the bank employees.

In view of the above, travelling expenses module in Union Parivar is being redesigned to enable the bank to capture the required GST details. Earlier in some cases e-tickets (without fare summery) were considered for reimbursement by HR – Suvidha which we shall now not be able to consider due to GST rollout. **Henceforth, employee has to submit the proper GST invoice for each bill he/she is likely to enter in Union Parivar for reimbursement through Bank. A proper Invoice shall be considered valid only if all the details are clearly mentioned in the Invoice as GST number, Invoice number with date, complete address of the Vendor/service provider, GST value, type and percentage, GST number of Bank etc.**

**For the entire Official journey undertaken, following points are to be kept in mind henceforth while booking tickets, obtaining bills/invoices etc.:**

- It is now **mandatory** that every booking made should be supported by the **Invoice containing GST details** of the vender/service provider as well as the Bank.
- Please refer to **IC no 00905-2017 dated 11.07.2017** and **IC No. 03975-2017 dated 24.08.2017** wherein Bank has informed GST number applicable for different States. Indicative list of type of services & Rate of Tax has also been provided in these circulars.
- Employee has to use the **GST number of that State** where the expenses are to be controlled in accounting books of the Bank. It is clarified that if an employee is posted at a place say in State X, then the GST number of Bank of State X should be entered in all the bookings to be made by the employee as expenses are to be controlled in State X only. Keep a ready record of Bank's GST number of your State and enter the same in the bookings made for official purposes. To enable the bank for availing the benefit of Input Tax Credit (ITC), it is important that GST details of the customer/vendor/service provider/travel agent as well as our Bank are mentioned in all the bills/invoices.
- In case **bookings done through online portal or any travel agent**, GSTIN number of our bank is to be entered/ informed to the agent and staff members should ensure to obtain an Invoice of the same with all the GST details clearly mentioned of Bank as well as of vendor/service provider.

Detailed guidelines are given in the enclosed annexure. In order to capture the details, Travelling Bills Module is undergoing updates as per the GST regime which will be effective from 15.09.2017. The changes incorporated and the detailed guidelines are described in the attached annexure.

**2. Payment to Casual Workers:**

It has been observed that branches are making payment towards daily wages by debiting expenditure head "Amount paid to Casual workers" or Miscellaneous Expenses. In this regard, vide our various circulars, last being no 6582 dated 20.03.2017, clear cut instructions have been issued not to engage any outsider/casual worker. As such, this head has been blocked for further debit.

Officers are entitled to purchase these items as per their eligibility + applicable G.S.T. **Henceforth, employee has to upload bill for purchase of Briefcase after entering details of bill in Union Parivar.**

- **Non submission of fare chart:-**staff members undertaking LFC by Air should submit a copy of comparative fare chart of various air lines, as on the date of booking, along with final LFC bill. A mandatory declaration by the sanctioning Authority to this effect is incorporated in LFC advance sanctioning page. ### Proper Submission of Travelling Bills

(Staff Circular No. 6636 Date: 17.06.2017)

Attention of Staff is invited to Staff Circular No 6366 dated 16.05.2016 and 6513 dated 26.12.2016 vide which detailed guidelines on submission of travelling bills are circulated. It is observed that some of the staff members are still not adhering to guidelines while submitting Inland TE/Transfer claims for settlement at HR-Suvidha. Hence, in such cases, department has to reject the claims for proper resubmission. This may cause displeasure amongst staff members which can easily be avoided with a little care. This also affects TAT of HR-Suvidha. Hence, we once again reiterate hereunder important points to be taken care of by staff members and request all to comply with these points while submitting Inland TE/Transfer bills for quick processing:

- Adequate care is to be taken while entering Tour Plan cum advance approval as mentioned in Staff Circular Letter No. 1060 dated 22.2.2016. Staff members are required to enter the **exact date of travel of onward and return journeys** with complete **purpose of the journey**. In case of any training, workshop, enquiry etc., **nomination letter/official order** of the **Competent Authority** is required to be uploaded at the time of final submission of TE bill.
- It is observed in some cases, staff members are **choosing indirect/long route for reaching the place of visit, place of posting** etc. incurring higher travelling cost. If it is found without proper reasons/permissions, **eligibility shall be worked out through shortest available route** and within the mode and class eligible for the concerned staff member only.
- **Claim for excess baggage charges**. In case of air travel, employee is not entitled for reimbursement of excess baggage charges; as such the same should be avoided.
- Transfer TE bills are rejected mostly due to **non-submission of the required documents**. In order to facilitate smooth and speedy sanction, process of transfer TE bills following points are to be taken care of.
  - a) **Transfer order and relieving order are to be uploaded.**

- b) Journey tickets as per the tour plan sanctioned and duly certified as described in Staff Circular No 6322 dated 22.2.2016 are to be uploaded with all boarding passes (in case of air tickets), bills, receipts, etc.
- c) Transportation bills are to be submitted as specified in Staff Circular 6513 dated 26.12.2016 showing entire break up of charges paid like freight charges, packing charges, loading and unloading charges, insurance charges if any and service tax/GST as per the prevailing guidelines in vogue.
- d) It is observed that transporters are clubbing packing and insurance charges in the freight charges with or without the consent of staff member. It is practically not possible to transport the luggage/movable items without packaging. Since, the freight charges and packing charges are controlled under different heads for eligibility point of view, it is difficult for H.R.Suvidha to settle the claim. Further, the transporter is having limited liability in case of any damage/loss, it is in the own interest of the employees to take the insurance while transporting household.
- e) Keeping in view of the above facts, it has been decided that any invoice which does not have break up of packaging charges, the notional amount @ 10% of the freight amount will be treated as packaging charges. As such, in order to avoid any inconvenience, all employees are advised to ensure proper break-up of expenses like freight charges, packing charges, loading and unloading charges, insurance charges and Service tax/GST while taking invoice/bill from the transporter.
- f) Goods Consignment Note (Consignee copy) from the transport operator should be filled in with all the details such as Weight, Items number, complete address of consignor and consignee.
- g) Packing list/List of items transported on the inventory list of the transporter required to be submitted.
- h) Payment receipt is compulsorily required evidencing the actual payment made to the transporter. It is further informed that all payments made above Rs. 20,000/- should be paid either by cheque or NEFT/RTGS/IMPS etc. Money receipt for the same is to be obtained from the transporter and to be submitted with the claim.

#### **Points to be noted while SUBMITTING INLAND TE/transfer bills**

(SC no 6513 date 26.12.2016)

#### **Tour plan cum advance approval:-**

When applying for tour plan cum advance approval proper journey plan should be selected by the staff members for example,

- For inland journey, following type of tour may be selected  
Regular, sports, training, audit
- For overseas journey, following type of tour may be selected  
Audit, non-audit
- For transfer related journeys,

Like reporting to the new place of posting, for shifting of house hold goods etc. journey type “transfer” must be clicked

#### **POB outstanding:-**

All type of expenses would be borne by the staff himself/herself from the advance amount. Wherever, such arrangements are made by any RO POB claims received would be responded by debiting account of concerned employee and it is the responsibility of the concerned employee to obtain copy of such bills from that office and to claim the same in the TE bill. This will facilitate speedy processing and also all expenses will reflect in Union Parivar.

### **Ticket booking**

- Staff members eligible to travel by Air should book refundable economy ticket only
- Tour programme should be approved only by eligible class/mode of travel through direct and shortest route. In case of Training officers up to Scale IV are not eligible for travel by air, so same is to be avoided.
- The competent authority for approving air travel in exceptional cases is General manager (HR) for staff posted in central office and Field General Manager in other cases

### **Transportation documents:-**

Staff members are required to obtain the following documents from transport agency while submitting transfer TE bill.

- Invoice/bill with the stamp of the transport agency containing breakup of the total amount paid, which should necessarily contain the following information:
  - Freight charges(mandatory)
  - Packing charges (mandatory)
  - Loading and unloading charges (mandatory)
  - Insurance amount, if any and
  - Service tax

If any of the aforesaid charges are zero, it is to be reported as Nil

- Goods consignment Note/MLR/RR showing weight of goods, distance (in Km) and stamp of the transport agency. It is informed that GC Note/MLR and invoice are two different documents and both are compulsorily required to be submitted.
- Packing list provide by the transporter with complete list of articles transported.
- Payment to be compulsorily made through digital mode, Cheque/DD etc. for transportation amount above Rs 20000/-.

It is observed that in some cases invoice submitted is of exorbitant amount without giving proper break up. Staff members are advised to make enquires with different transport agencies and to negotiate with them for getting competent rates before finalizing the transport operator. While doing so, proper quotations should be obtained from different transport operations, which should form part of other documents while submitting the claim. The transport must be IBA approved/renown.

### **DISABLING OF USER ID OF EMPLOYEES ON LEAVE**

DIT:CBS:1433:09 DATED 08-07-09:

Staff members who are proceeding on leave/training should inform data centre to suspend their login id for the period they are on leave/training and ensure that the login \_id is disabled before they proceed on leave/ training.

**Note :** The expenses and Special Leave mentioned herein will not be granted if his negligence has contributed to injury or he was under the influence of drug, medicine. Any willful disobedience of an express order given or of a rule expressly framed for the sake of security of the employee, could also make him ineligible for the above. Disregard or removal of any safety guard or other device which have been provided for the purpose of securing safety of the employee will also make him ineligible.

The Competent Authority for sanctioning Medical Expenses and Special Leave will be an Officer in Scale IV, working in the Department of Personnel or an authority above him, looking after/overseeing Department of Personnel.

### GUIDELINES FOR GOING ABROAD

**Staff Circular No. 7762 Date: 30th August, 2022**

It has come to the notice of the Management that, employees are not adhering to the aforesaid extant guidelines of the Bank and are acting in contravention thereof. The employees are either not seeking prior approval/permission from the Competent Authority before proceeding on leave or even if leave is applied in system, they are concealing or submitting incomplete information w. r. t. purpose of visit/ place of visit/ address a contact number during leave period etc. These acts are in violation of Regulation 13 of the Union Bank of India 'Officer Employees' (Conduct) Regulations, 1976 and various other rules/regulations governing the service conditions of the employees. The Top Management has expressed grave concern over the same and has directed that all the employees/ officers abide by the Bank's guidelines and abstain from concealment of facts. In view of the aforesaid,

The leave has to be applied in HRMS package- Union Parivaar.

## ACCEPTANCE OF GIFTS

**Circular Letter No: 5983:2022**

**Date :04th October 2022**

Government of India, Ministry of Finance and Central Vigilance Commission from time to time, have informed that they have noticed gifts are presented to influential persons by Public Sector Undertakings I Banks, including government officials during festive occasions or otherwise. The practice of sending gifts to government servants unnecessarily embarrasses them and puts them in a dilemma. On the other hand, the expenditure for the same is covered up by debiting/booking it under wrong heads. This is a very serious violation attracting vigilance sensitivity. Likewise, it has been also noticed that gifts are received by officials of Public Sector Undertakings I Banks during festive season or otherwise. The matter has been the subject of comments in the press, media etc. The Commission has considered the matter and is of the view that this practice is to be discouraged. The Conduct Rules provide that no government servant shall accept or permit any member of the family or any other person acting on his behalf to accept any gift except on occasions like weddings, anniversaries or religious functions subject to a monetary ceiling. It is clarified that these instructions would not apply to mementoes, diary and calendar etc. for publicity and business promotion.

It has been advised that such practices are not to be allowed and the accounting policies are to be followed in letter and spirit. Any person engaged in such activities or influencing other members to engage in such activities will be proceeded against and stern staff action will be initiated without fail.

All are requested to kindly take note of the above instructions and co-operate in the matter.

3. On previous occasions, it has been instructed to the field functionaries not to allow any union/association activities during office hours. However, instances of non adherence to the aforesaid guidelines have come to notice of the top management.

5. It is to be made very dear that despite the above instructions, if any employee fails or refuses to perform his/her duty during the office hours and proceeds unauthorizedly for union/association activities, the principle of 'no work no pay' shall be invoked and appropriate disciplinary action, as deemed fit under the union bank of india officer employees' (conduct/discipline ft appeal) regulations, 1976 i bipartite settlements, as applicable, shall be initiated. The names of such employees should be brought to the notice of the concerned disciplinary authority at fgmo/co, as the case may be, with details like date, duration of absence from the place of work, etc.
6. Further, to ensure an equitable and fair approach towards every individual union/ association/federation functioning in the bank, as well as to maintain consistency and transparency in various hr process/ decisions, field functionaries are advised not to post an office bearer of any trade union/federation/welfare association at hr department at respective regional office/fgmo.

## HR AAPKE DWAR

[SC 6271 dated 16.11.2015]

As all are aware, the success of an organization is the result of the unstinted support and contribution of its employees and their total compliance of its systems and procedures.

Despite the fact that the HR machinery at the various Regional Offices is already contributing and supporting employee welfare through various staff and admin functions, as an additional motivating gesture, the Bank has introduced a Grievance Redressal Portal on the Bank's website, with the objective of providing a platform for staff members to escalate their grievances / complaints for expeditious redressal of the same as per the Bank's rules

It is now extended to all the Regional Offices pan India and include all staff related issues of employees, except those relating to transfer and posting. The Grievance Redressal Portal will enable an employee to present his/her grievance for examination / redressal at the level of Branch / respective Regional Office /respective FGMO / Central Office, as the case may be. A time limit of maximum 3 working days at each level of redressal is fixed to resolve the grievance. This department has already issued detailed guidelines fixing specific 'TAT / time lines for the performance of various staff functions. Regional Heads / HR Heads of all Regional Offices are advised to ensure that the redressal of a grievance must be actual and the grievance shall not be closed with frivolous / interim remarks like "will be looked into", or "concerned official is on leave" etc. which will defeat the very purpose and objective of providing this platform to employees.

Regional Offices / FGMOs are requested to sensitize all concerned in their Region / Zone to ensure expeditious disposal of the staff complaints lodged in the Portal, so as to prevent their escalation to higher levels. Redressal of staff grievances / complaints is included in the Job Role of the Deputy Regional Heads /Deputy Zonal Heads, and it will be their responsibility to ensure that the Portal is used effectively for ensuring cordial HR relations in their Region / Zone. We are confident that introduction of the above Portal will lead to increased. Job satisfaction and improved productivity and efficiency and seek support and co-operation of all concerned in this regard.

## UNION SAHYOG - A FINANCIAL SUPPORT SYSTEM)

Sc No.08163 dated 04.01.2023

Human Capital is one of the greatest assets in an organization. In our Bank also, human capital i.e. all Unionites are continuously working towards accomplishing various goals, targets, strategic business requirements of the Bank as well as self-development and growth. During our journey, sometimes we face instances where we lose our Seniors/Mentors/ Colleges/ Team Members due to their unfortunate demise.

Unfortunate demise of an employee is a tragic and challenging time for the family. On account of demise of an employee, the family not only suffers with the loss of a family member but also gets burdened with financial turmoil in running their livelihood thereafter as well. Our Human Capital is our 'Union Parivar' and the demise of any of member of this 'Parivar' also affects this organization as well. Though, nothing can replace a family member, providing some financial relief to the bereaved family members on demise of an employee will reduce the financial turmoil to some extent.

We are pleased to inform that Board in its meeting held on 28.12.2023, has approved introduction of Scheme named as 'UNION SAHYOG' - A FINANCIAL SUPPORT SYSTEM for providing financial relief towards the bereaved family members on demise of an employee.

The details regarding the Scheme is enclosed. The Scheme is effective from 28.12.2023. Hence, all the cases where the employees demised on or after 28.12.2023 are eligible for financial assistance under the Scheme.

These competencies may be key skills which employees need to possess for functional proficiency or pertaining to leadership, communication and people management.

- 1.1. In order to enhance the effectiveness of the training process, it is necessary that all stakeholders are aware of the guidelines and concepts that govern the process. The rights and responsibilities of all stakeholders as well as Bank's position in terms of development of its human resources are spelt out in the Policy on Learning & Development.

Since training targets adults, it is vital that training efforts meet the needs of the individual, not only with regard to the areas in which training is given but also the manner in which the training is imparted. The focus of training delivery will be participant-oriented. The training process will ensure that the training needs of the participants will be the driving force for the design and delivery of all training programs, irrespective of the medium of training. The Bank also believes that training needs of the individual should be addressed within the overall context of the needs of the organization.

The training system may monitor such projects. After successful implementation of such projects, the success stories may be shared with participants of upcoming programs.

#### **6.12. Training Analytics as a Tool for Effective Training:**

- 6.12.1. In the present training scenario, analytics plays a crucial role in harnessing the available training inputs and data to align with the corporate objective of growth and development. In order to take advantage of the data available with the training system by converting the same into meaningful information, a Training Analytics Unit has been set up. Various uses of analytics in training are:
  - i. By effectively utilizing the internal sources of data available with the training system, the verticals & field functionaries can productively manage their human resources.
  - ii. The basic objective of training analytics is to leverage training related information from various sources like in-house HRMS and training system packages to deploy the trained employees strategically and also to assess training needs of existing employees based on their professional qualifications/skills as well as field experience in line with the requirements of business units.

- iii. Training analytics shall provide relevant information to the respective zones and regions regarding number of trained employees in various specific areas so that HR can place them accordingly.
- iv. Sparks identified during training programs can be groomed to shoulder higher responsibilities and the HR department can assign them important projects. It will help HR to make need-based deployment of staff which can help in reducing cost, increase productivity and maximize operational efficiency.
- v. It will create greater value from the training system by imparting need-based training to employees. It will help HR in succession planning and developing next generation leaders.
- vi. Depending on the requirement of the regions / zones / verticals, training inputs can be provided to prepare adequate skilled personnel in various areas.
- vii. Fine-tuning of training programs can be undertaken by capturing and analysing feedback from the trainees on content. Feedback shall be collected from participants from internal & external programs and consolidated feedback placed before GM (L&D) on quarterly basis. The consolidated feedback shall be reviewed and necessary steps shall be taken to improve the quality of trainings.
- viii. Based on the data on number of staff members attending a particular program, decision can be taken as to continue with the duration program or phase out the program.
- ix. Post training impact study using analytics can bring out the business impact of a particular program.
- x. Mis-matches in training nominations can be identified and averted by capturing the current role of the officer from the HRMS package. If the program for which the officer is nominated is not related to his/her current role, HR may be advised to make alternate nominations.
- xi. The TAU shall also calculate learning hours (program-wise, program category-wise, gender-wise, scale-wise, job family-wise, etc.) required for various regulatory reportings.

Thus, training analytics can help make the training system efficient by plugging wastages and providing need-based training to employees.

The Training Analytics Unit shall have sufficient staff to do the analytics and prepare suitable reports which are forward looking and benefit the training system & Bank in strategy planning with regard to employee engagement.

**The training system will provide a platform to staff members for sharing their opinions & suggestions for improvement in training and learning processes. To this objective, a dedicated e-mail ID [learning.suggestions@unionbankofindia.bank](mailto:learning.suggestions@unionbankofindia.bank) shall be maintained and monitored by the Training Analytics Unit and monthly report shall be collated under the supervision of AGM (Digital Learning Unit) for further reporting and/or analysis as deemed necessary by the training system. The suggestions adopted will be placed before LAC for review.**

### **6.13. Training Evaluation:**

- 6.13.1. Evaluation of the effectiveness of training is a vital part of the training process. It is not only important from the point of view of introducing improvements in the training methodology and content but also to assess the impact of training at the field level.

6.13.3. Two Levels of evaluation undertaken by the Training system are:

**6.13.3.1. Training Stage:**

- 6.13.3.1.1. Entry-Exit test evaluation
- 6.13.3.1.2. Daily Recap of Sessions
- 6.13.3.1.3. Mid-Course test in long term programs (duration 05 days or more)
- 6.13.3.1.4. Qualitative feedback at the end of program

- 6.13.3.2.1. Post Course Evaluation (PCE)
- 6.13.3.2.2. Tracking Quantitative Business Parameters (QBP) for a pre-determined period.
- 6.13.3.2.3. The Post Training Stage evaluation will be done online for which the software has already been developed and data is being captured from MIS, LAS and Finacle etc. for Quantitative Business Parameters shortlisted for each program **under the training system.**
- 6.13.3.2.4. The Post Course Evaluation will be initiated at respective **ULA & ZLC** wherein the officials conducting the training program will share their feedback on qualitative parameters which will be vetted by their immediate supervisor.
- 6.13.3.2.5. Once these two levels get streamlined and stabilized, the Bank will endeavour to move to the next level of evaluation which will include the analysis of data by the Training Analytics Unit to assess the post training effectiveness and also examine the Return on Investment of the training system. Exit test scores are to be aligned with APAR of the participants trained and scores to be given in APAR accordingly.

**6.14. Identification of Sparks:**

- 6.14.1. Training system introduced a system for identification of Sparks among the participants attending the training program so that the persons identified can be further groomed for higher challenging assignments.
- 6.14.2. All the co-ordinators and faculty members taking sessions during a program identify Sparks within the training program based on certain listed parameters.
- 6.14.3. The training system shall identify Sparks among the participants of classroom training based on their outstanding performance in each of the well-defined parameters set for the purpose which includes learning abilities, behavioural aspects, interpersonal relationship, leadership quality, communicating ability, valuable contributions in training program(s), active participation, progress of the participant from entry level to exit level of the training program etc. The parameters are to be finalised in consultation with the L&D Division at Central Office.
- 6.14.4. The details of Sparks thus identified shall be shared with the **L&D Division at Central Office and respective FGMOs/ROs** for further nurturing/grooming the identified sparks for various positions/ responsibilities.

This is particularly true with regard to trainings to be imparted during short period of time covering all staff members of a particular cadre. For example, giving behavioural skills to all officials of the Bank or leadership skills to Branch Managers spread across locations in the country, induction program for large number of clerks and staff members at one time. Therefore, it becomes necessary to have such trainings carried out by firms/subject matter experts (SMEs) having resources in terms of faculty who can deliver training of good quality, covering large numbers in a short span of time.

- 8.9.2.2. The other situation where it becomes necessary is when training in a specialized area is required. In such cases also it may be necessary to engage the services of individual faculty reputed for their expertise in the area. Inputs from such individual faculty will be of immense benefit and organizing training programs by making use of the physical infrastructure at **ULAs & ZLCs** has to be explored. Assigning specific programs and topics to individual experts has to be encouraged to bridge the knowledge gap in the Bank's training system.
- 8.9.2.3. In both the above cases it is essential to engage the best talent available, thus the selection process will include the following:
- 8.9.2.3.1. Training system has to keep liaison with external training institutions of repute / external freelance trainers and prepare a list of external faculty with all relevant information, appropriate to different specialized areas.
  - 8.9.2.3.2. ULA Heads in consultation with L&D Division & MPRD at Central Office will compile a list of such firms or individuals covering all the required areas of expertise.
  - 8.9.2.3.3. Once the identification process of the faculty/institute is completed, the concerned resource persons/institutes could be asked to submit financial quotations and after rationalization, **L&D Division CO** may initiate for engaging the faculty/institute as per the delegated authority for approval following CVC guidelines.
  - 8.9.2.3.4. While preparing the list of external experts the criterion of "quality inputs of a high standard" must be satisfied. Discreet enquiries with the persons who attended such programs earlier and discussions with the banks/institutions who have availed the services earlier have to be made before enlisting his / her / firm name.
  - 8.9.2.3.5. In the identification process, the experience / background in imparting training in the financial sector, preferably in the banking sector, will be a primary criterion. Apart from this, they should be acknowledged experts in training.
  - 8.9.2.3.6. With regard to training in specialized or new areas where the number of faculty with expertise could be limited, individuals or firms could be engaged with the prior approval of the Competent Authority viz. ED / MD & CEO.
- 8.9.2.4. For Induction Programs or other Programs covering large number of Staff members in which hiring of external institutes is required the selection will be completed through the RFP tender process.
- 8.9.2.5. MPRD, in consultation with L&D Division at Central Office, will initiate such tender process and ensure selection of Vendor Institute, Company or External faculty.
- 8.9.2.6. Bank may also externally hire ULA Heads, external faculty, academicians, Industry Experts etc. on contractual basis (full time) for designing and delivering training interventions.
- 8.9.2.7. Further, Bank may externally hire on contractual basis ULA Heads for ULA of Digital Transformation and ULA of Sales & Marketing.

## V. VIRTUAL TRAINING

### 1. Introduction

Banking is intrinsically human-centric. Despite the increasing invasion of machines, people are among the most important assets and a bank must efficiently manage its employees during every phase of employment. In this competitive arena, Bank recognizes the need for innovative digitally supplemented training to enhance learning and development of its staff for gaining an edge over competitors in delivering excellence to customers.

The Indian banking industry is continuously witnessing a process of transformation due to increased digital and data driven banking and customers' elevated expectation; thus there is a need for a digital architecture for training and development of staff in critical operational areas including credit & risk, customer service and behavioral aspects etc. Apart from enhanced banking skills, other distinctive competencies such as leadership, technology management, emotional intelligence and behavioral competencies are required to support human effort and respond to new age customers. In this context, digital training can be a great enabler.

### 2. Objectives of Virtual Training

The broad objectives of Virtual Training are mentioned hereunder:

- To establish a culture of self-learning
- To promote alternate channels of learning
- To expand access to high quality learning & development opportunity to all employees at their convenience and location
- To make training/learning demand driven and user-centric
- To create a highly scalable training system to meet the emerging training needs of the Bank

### 3. The Concept of 'Virtual Training'

Virtual training is akin to a simulated learning environment via the Internet, which provides a convenient communication environment for distance learners. Additionally, it may also be defined as when a virtual learning environment is created where learning facilitator and learners interact with each other using digital devices viz. computers, laptops, smartphones etc. linked to a network through the Internet such that it simulates the traditional classroom or learning experience.

### 4. Virtual Training Process

#### 4.1 Training Needs Analysis (TNA)

Training needs evolve continuously due to various organizational factors viz. changes in organizational structure, launch of new products & processes, new industrial/government led developments, prolonged crisis conditions (pandemics) and individual factors viz. role, employee's experience and background, performance etc. The Bank will make best endeavours to gauge the 360 degree view in assessing the online training requirements of employees. In addition to points mentioned in Section I of this Policy, the indicative list of variables for assessing online training needs are enumerated below:

- Directions of L&D Advisory Council (LAC) /Union Learning Academies Council (ULAC) / Committee headed by ED In-Charge of HR for performance review of ULAs
- Inputs received from concerned verticals, ZLCs and field functionaries
- Cost-benefit analysis for Offline vs Online programs

Classification: Confidential

- Inputs from assessment/awareness tests and survey amongst employees for assessing employees' knowledge base/skill sets
- Relevant feedback received from trainees during offline/online programs and e-learning portal

#### 4.2 Training Coverage

The virtual trainings are more palatable to NextGen, therefore they will be the especial focus of such programs among other tech savvy staff members.

Bank's internal trainings including induction trainings shall suitably accommodate online/virtual training modes mainly covering aspects related to **3Ps** i.e. **P**roducts, **P**olicies/Guidelines and **P**rocesses. The virtual trainings will be interactive and trainee-centric, to facilitate the alternative mode of learning at trainee's ease and convenience.

Virtual training programs shall adopt a collaborative approach i.e. domain experts can be invited internally as well as externally for enhancing the effectiveness of the virtual training programs.

External online/virtual training shall be utilized for meeting the specialized training needs of staff, including faculties, so as to cover the gaps in internal trainings and skill sets.

#### 4.3 Training Design & Development

Virtual trainings are customizable to cater to the needs of the organization and trainees based on Training Need Analysis (TNA). They shall also harness the resources available on the e-learning portal and combine the same with audio, video and/or visual sessions in live or recorded mode to facilitate learning of staff members and also to meet their developmental needs.

Virtual trainings shall be designed and conducted for employees during various stages of employment.

They will be formulated into two types:

- 4.3.1 Short Duration Virtual Training Programs (SD-VTP):** Training programs of duration less than 4 hours preferably at branch/office location. The trainees need to attend training program in place wherein a conducive learning environment is available and he/she may disengage with job functions for the relevant duration.
- 4.3.2 Long Duration Virtual Training Programs (LD-VTP):** Training programs of duration of 4 hours and above preferably at a conducive learning environment viz. home or other location wherein trainee may disengage with routine work/customers.
- 4.3.3 Flexible Virtual Training Programs:** Virtual Training Programs can also be conducted as per the convenience of the Trainees & Trainers during non-working days. Compensatory leave to be granted to Trainees and Trainers in lieu of structured full-day virtual training held on non-working days.

#### 4.4 Nomination for Training

- 4.4.1** Virtual training programs are primarily envisaged as 'demand driven' i.e. trainee may nominate oneself for live online virtual training through existing mechanism viz. Self-Nomination, Performance Management System (PMS). Additionally, individual/bulk nomination may also emanate from supervisory functions up to Central Office.
- 4.4.2** In case of urgent training needs arising out of immediate corporate concerns, ULAs/ZLCs may also decide on direct nomination in consultation with GM (L&D). ULAs/ZLCs will co-ordinate with ZOs/ROs for ensuring nominations and conduct of the training programs. Further, the

Classification: Confidential

training system shall design and roll out such programs in collaboration with the concerned vertical.

- 4.4.3 In order to ensure quality and effectiveness of virtual training programs, the respective ULAs/ZLCs will share program outline with Regional Offices, who will in turn ensure suitable nomination at least 7 days before commencement of the virtual training program and also communicate effectively with participants. Further, the ultimate onus of ensuring 'Zero Drop-out', 'No Mismatches' and timely nomination in Union Parivar will be vested with Regional Offices; however necessary support will be extended by the training system.

#### **4.5 Training Calendar**

In view of the para covered under TNA; virtual training calendar shall be drawn alongside physical training calendar by the respective ULAs/ZLCs as deemed necessary and the same will be also be hosted on the e-learning portal/U-Learn for better dissemination of information amongst staff members.

#### **4.6 Training Infrastructure**

With more and more millennials joining our workforce, mobile learning and self-paced training is the need of the hour for supplementing physical training. Therefore, Bank should have scalable online training infrastructure which can effectively cater to the learning and development needs of 75,000 plus employees pan India basis.

Virtual training infrastructure to have the following essential features:

- App (android & iOS) as well as Internet-based platform, wherein learners may access pertinent content as per their requirements
- A learning solution having new age features viz. hosting and streaming live and recorded videos/audios uninterruptedly, gamification, offline learning, secures file transfer and supportive of varied digital devices
- A learning platform supportive of SMART classroom concept, which will facilitate interactive and exercise-based classroom sessions
- A learning platform to have integrated analytics feature
- A learning platform having capabilities to cater learning & development needs of a diversified employee base.
- A platform which may promote the culture of inclusive training i.e. especially abled persons

To sum it all, a solution to be helpful in connecting with the participants and facilitate seamless collaboration, be location independent and at the same time, secure all interactions.

- Bank is at present using Microsoft Teams solution for conducting live training programs using screen sharing mode, with capability of hosting live audio visual interactive sessions, chat facility, etc.
- On finalization of virtual training program, the ULAs / ZLCs will create the link for conducting the program and subsequently share the same with RO HRs / participants as well as through official platforms viz. official e-mail, Kaizala App.
- For virtual training programs having large number of participants such as live online training, live webinars, assistance of one coordinator / moderator / technical support to be provided to concerned faculty conducting the session.

- The Bank shall endeavour to make use of best available cost-effective learning management platform, which will make the learning experience with the feel of a classroom. Option of recorded sessions shall also be made available for recapitulation purposes.

## 5. Training Methodologies

The interaction among employees have rapidly enhanced due to advent of latest technologies and learning management solutions. The virtual training methods are gaining ground as they offer more flexibility in terms of timelines, re-usability of content, knowledge acquisition and foster learning autonomy. In the context of our Bank, virtual trainings are in nascent stage and expected to evolve further with utilization of more & more offline and online methods of virtual trainings, as mentioned underneath, are employed for facilitating learning and development amongst staff members.

### 5.1 Emerging Training Methodologies: Offline/ Online

- **Live Online Training:** This mode of training will be one of the main methods to facilitate learning among nominated candidates who will be attending the sessions via Microsoft Teams or Learning Management Portal on their respective devices using allotted ID and passwords. The trainer, available virtually, will facilitate the learning by presenting high quality content and encourage the group to be interactive and collaborative during the training sessions.
- **Self-Paced Training (Offline and Online):** This online training method will also be considered for making programs flexible as per participants' convenience. It is expected that a combination of resources viz. Audios, Videos, Reading Materials, e-learning modules will be prescribed in self-paced training program, which will be completed by trainees within timeline allotted as per design of the program. This method can also be employed in case of on-boarding programs.
- **Web based Seminar (Webinar):** It will be akin to seminars to be conducted in video, audio or both modes over Microsoft Teams or other web-based platform. Further, this method shall be adopted in conducting short duration large group workshops by expert faculties, wherein one-way audio/video communication is expected with option for two-way chat. The training system shall facilitate participants through live webinars including 'on-demand webinars' and recorded webinars. Recorded webinars shall be hosted in e-learning portal for wider reach among staff members. Some important features of a webinar are summarized below:
  - ✓ May be conducted for short sessions not exceeding 2 hours in normal scenario.
  - ✓ Limited duration of 1-2 hours presenting content (using audio, video, sharing screen, PPT, etc.).
  - ✓ Interaction with participants (audio, chat, quizzes, surveys, whiteboard, "hands up" button, etc.).
  - ✓ Rights giving: the person running the webinar may give different rights to the participants (e.g. make them presenters).
  - ✓ Awareness creation on new product, its functionality etc.
- **Certifications:** As part of capacity building exercise and to develop 'good to have' training programs, the training system will design and develop various internal certification programs related to operational areas viz. Preventive Vigilance, Retail Business, Credit Ethics etc. These courses are to be undertaken by employees for gaining proficiency in their area of function/interest.

The indicative list of broad features of Certification programs are the following:

- ✓ These courses will be designed and developed in collaboration with concerned vertical. The responsibility of implementing and hosting the same will be vested with the training system.
- ✓ These courses shall be hosted on the e-learning portal.
- ✓ These Certification programs are to contain assessment tests and well-defined modules, which are to be completed within stipulated time period. On successful completion of the course, certificate will be awarded to passing candidates.

- ✓ The broad modalities of the program will be in consonance with the provisions of the e-learning policies.
  - ✓ These certifications may also be in blended form in the sense that these can be hybrid of online and offline classroom programs.
- **Short Nuggets:** Training courses mainly consisting of short explanatory videos to elucidate complex conceptual topics, products, etc.

## 5.2 Ways and Methods to Engage Trainees

It is pertinent to mention that realigning training in virtual mode will yield desirable results provided collaborative approaches are effectively utilized to engage trainees and motivate them to adopt self-learning modes. Toward achieving this objective, the training system will endeavour to introduce innovative methods/ways outlined hereunder:

- **Intermittent Two-way Live Interaction:** To ensure better connect, faculty/coordinator will ask participants to go live on camera intermittently and randomly for connected interaction. Participants will also be advised to raise queries on live video mode for building better rapport and satisfaction.
- **Polls & Questionnaires:** Disconnect between trainee & trainers may be prevalent in virtual mode of training, thus Polls and Questionnaires may be administered by the trainers. This will not only re-engage the trainees but also gauge the learning levels among them.
- **Day-end Test / Mid-Course Test:** It is challenging to ascertain the learning level of participants in virtual mode. In this context, the trainer is to administer day-end & mid-course mini tests comprising not more than 10 questions. These mini tests shall be utilized for long duration virtual training programs and will be based on sessions completed in a particular training day.

## 5.3 Blended Training Techniques

The concept of blending virtual training methods such as online and/or offline with physical training can optimize the participants' learning curve.

ULAs/ZLCs will take into consideration various factors such as subject matter, type of learners, budget, space constraints and compliance issues before deciding upon blended training programs.

Once such training needs are identified, participants will be communicated for appropriate virtual method of training supplemented with physical training before or during the commencement of physical training programs. In a blended learning course, in addition to classroom training, trainees will be advised to undertake learning activities mentioned underneath which might include but are not limited to:

- Reading about new concepts through e-learning modules
- Watching video demonstrations or animated process overviews
- Listening to recorded webinars
- Undergoing internal certifications courses, self-paced courses
- Any other

## 6. Evaluation of Training Effectiveness

This trend is likely to continue with greater pace and intensity in the years to come. Although our bank has made very good beginning in orienting their staff to sales and service, we have to intensify our effort to re-skill our employees.
- 1.2 In June 2017, as per recommendations of the Committee on Capacity Building in Banks and All India Financial Institutions (AIFIs) constituted by the RBI, the IBA has identified specialized areas for certification for staff manning key responsibilities in the Banks and directed that Banks should make acquiring of a certificate course mandatory for working in the areas like Credit Management, Treasury Operations, Risk management, Accounting and Foreign Exchange operations.

#### **PROVISION FOR ENTERING DETAILS OF LIC POLICY BY THE EMPLOYEES IN HRMS.**

**Staff circular 7746 dated 06.08.2022**

This has reference to the Salary Savings Scheme (SSS) of LIC of India of the staff members in the post amalgamation phase of E-CB & E-AB with Union Bank of India in April 2020. Prior to amalgamation, the demand was raised by LIC of India on respective Banks and the Premia recovered from the staff members was remitted as per the Demand of the PA Code (Paying Authority code) of LIC of India.

Post amalgamation of eCB and eAB with UBI, due to merger of certain branches / change in the HR Administrators at Ros and change of location due to transfers, the LIC premia did not reach the LIC of India account for lack of policy holder's details. Thus, the premium deducted from monthly salary were parked in certain account without remitting to LIC of India. In the meantime, the employees are receiving Mails / SMS from LIC of India about the non - receipt of premia, which may result in policy getting lapsed.

To overcome the above issue, we have now devised a solution of sending the premia to the allotted Paying Authority of LIC of India. We have developed a new page under the Employee Self Service of Union Parivar, under which the employee will enter in the LIC policy details, which will be sent to LIC of India, who will in turn generate demand for the respective policies. The HR Managers at RO/CO, after reconciling the amounts deducted from the employee's salary with the demand received will remit the monthly proceeds to LIC of India.

The navigation for entering the details by the Employee in Union Parivar is as follows: -

Employee Self Service > Pay Roll > SSS Policy Details.

For the HR Administrator, a query "UBI\_SSS\_POLICY\_NO\_QRY" is provided under Reporting Tools > Query viewer option. HR Administrators have to enter the Calendar Group, which will generate a report and will give the details of the employee's Policy along with the account number in which the amount has been parked.

All are requested to make full use of the facility and avoid any delay in the payment of premia.

1. Background:

1.1. The Group Medical Insurance policy for serving employees is renewed annually from 1st October till 30th September of the following year. The Group Medical Insurance policy for retired employees is renewed annually, from 1st November till 31st October of the following year.

1.2. IBA has informed that in order to arrive at a common cut-off date of 01.11.2024 for both the Group Medical Insurance policies, the lead insurer, National Insurance Company Limited (NICL) has agreed to issue fresh Group Medical Insurance policy for serving employees for the period 01.10.2024 to 31.10.2024.

1.4. National Insurance Company, as per the IBA Employees' One Month Policy for serving employees, has made a provision of Rs.8.33 crores as Corporate Buffer (Medical Assistance), to be shared amongst the participating Banks, for providing financial assistance to serving employees and their dependents, whose eligible claims under the Medical Insurance Policy exceeds the medical cover.

2. Objectives:

2.1 As per the IBA Employees' One Month Policy for serving employees, the Basic Sum Insured for an officer cadre employee and his/ her dependent is Rs.4.00 lakhs and in the case of clerical and sub staff (award staff cadre employee), the basic sum insured is Rs.3.00 lakhs.

2.2 Due to ailments of self/ family, the sum insured falls short of actual expenditure while they are still hospitalized and the balance amount is borne by the employee. There may be cases where the sum insured is exhausted during the course of hospitalization itself and sufficient balance is not available for any future emergency.

2.3 To provide financial assistance for hospitalization cases where the sum insured has already been exhausted, a corpus of fund has been allocated to Union Bank of India which is known as Corporate Buffer (Medical Assistance). The total fund allocated under Corporate Buffer (Medical Assistance) to Union Bank of India for the IBA Employees' One Month Policy for serving employees, is Rs.1.08 crores.

2.4 The objective is to outline the modalities for extending financial assistance under Corporate Buffer (Medical Assistance) to the serving employees.

3. Eligibility:

3.1. Utilization of Corporate Buffer (Medical Assistance) will be available to the serving employees and their eligible dependents only. As defined in the 10<sup>th</sup> Bipartite Settlement/ 7th Joint Note dated 25.05.2015, the following persons will be treated as dependents for coverage in IBA Group Medical Insurance Policy as well as for claiming financial assistance under Corporate Buffer:

per month or the aggregate income of both the parents exceeds Rs.18,000/- per month, both the parents shall not be considered as wholly dependent on the employee. (as partial modification in 11th Bipartite Settlement/8th Joint Note)

3.1.3 Any two of the dependent father, mother, father-in-law, and mother-in-law shall be covered.

3.1.4 Physically and mentally challenged children of the employees to be defined as dependents irrespective of age or marital status, subject to income criteria.

3.2. Employees who have retired during the policy period 01.10.2023 to 30.09.2024 and successfully given consent for continuation in Medical Insurance policy for the month of October 2024 will be covered under Corporate Buffer (Medical Assistance) during the tenure of IBA Employees' One Month Policy of serving employees.

3.3. Corporate Buffer (Medical Assistance) is available under IBA Employees' One Month Policy, only for serving employees. Policy for retired employees does not have any provision for corporate buffer except as mentioned in point 3.2. Dependents of all these employees will also remain covered for Medical Insurance as well as be eligible for Corporate Buffer (Medical Assistance) as applicable for serving employees for its current tenure (01.10.2024 to 31.10.2024) only.

| Objective             | Many wards of the employees not only excel in the field of education but also in extracurricular activities like sports and culture. In the days of high cost of living the parents are forced to earmark a portion of their earning to nurture the intrinsic talents of their wards. Some of the wards excel in their discipline by achieving State, National and International recognition. If only there is financial support, these young Unions may achieve still better results in their chosen field. The Scheme aims to support such parents whose wards excel in sports and culture by extending financial assistance on the basis of results shown by the Young Unionites in their chosen fields, on a yearly basis.                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Applicability         | The scheme will be applicable to all permanent award staff and officer employees of our Bank but not to those appointed on contract or tenure/temporary basis. - 6.1.2. The ban orders on filling up of posts issued by Government of India or any controlling authority.

## **7. RELAXATIONS**

- 7.1. Upper age limit could be relaxed wherever found to be necessary. The lower age limit should, however, in no case be relaxed below 18 years of age.

- (Note-1: Age eligibility shall be determined with reference to the date of application and not the date of appointment;
- Note-2: Authority competent to take a final decision for making compassionate appointment in a case shall be competent to grant relaxation of age limit also for making such appointment).

## **8. TIME LIMIT FOR CONSIDERING APPLICATIONS**

- 8.1. Application for employment under the Scheme from eligible dependent should normally be considered up to five years from the date of death or retirement on medical grounds and decision to be taken on merit in each case. However, the Scheme for compassionate appointment is applicable for the cases where death / retirement on medical grounds occur on or after 05.08.2014.
- 8.2. While considering such belated requests, where, death or retirement on medical grounds of the employee took place long back, even five years ago, it should be kept in view that the concept of compassionate appointment is largely related to the need for immediate assistance to the family of the employee in order to relieve it from economic distress. The very fact that the family has been able to manage somehow all these years should normally be taken as adequate proof that the family had some dependable means of subsistence. Therefore, examination of such cases would call for a great deal of circumspection. The decision to make appointment on compassionate grounds in such cases may, therefore, be taken only at the Board level.

## **9. DETERMINATION/AVAILABILITY OF VACANCIES**

- 9.1. Appointment on compassionate grounds should be made only on regular basis and that too, only if regular vacancies meant for that purpose are available.
- 9.2. Compassionate appointment can be made up to a maximum of 5% of vacancies falling under direct recruitment quota in clerical cadre or vacancies identified in the sub-staff category. The Bank may hold back 5% of vacancies in the aforesaid categories to be filled by appointment on compassionate grounds. A person selected for appointment on compassionate grounds should be adjusted in the recruitment roster against appropriate category, viz., SC/ST/OBC/General Category, depending upon the category to which he/she belongs.
- 9.3. Widow appointed on compassionate ground upon re-marriage will be allowed to continue in service, even after re-marriage.

- 9.4.** Appointment on compassionate grounds against deaths due to Covid 19 for the period up to 31.03.2022 to be adjusted towards future vacancies.

#### **10. WHERE THERE IS AN EARNING MEMBER**

- 10.1.** In deserving cases, even when there is already an earning member in the family, a dependent family member may be considered for compassionate appointment with the prior approval of the competent authority of the bank who, before approving such appointment, will satisfy himself that grant of compassionate appointment is justified, having regard to the number of dependents, assets and liabilities left by the employee, income of the earning member as also his liabilities including the fact that the earning member is residing with the family of the employee and whether he should not be a source of support to other members of the family.
- 10.2.** In cases where any member of the family of the deceased or medically retired employee is already in employment and is not supporting the other members of the family of the deceased employee, extreme caution has to be observed in ascertaining the economic distress of the members of the family of the deceased employee so that, the facility of appointment on compassionate ground is not circumvented and misused by putting forward the ground that the member of the family already employed is not supporting the family.

#### **11. MISSING EMPLOYEE**

Cases of missing employees are also covered under the scheme for compassionate appointment subject to the following conditions: -

A request to grant the benefit of compassionate appointment can be considered only after a lapse of at least 2 years from the date from which the Employee has been missing, provided that:

- I. an FIR to this effect has been lodged with the Police,
- II. the missing person is not traceable, and
- III. the competent authority feels that the case is genuine;

**11.1.** This benefit will not be applicable to the case of an Employee: -

- (i) who had less than two years to retire on the date from which he has been missing; or
- (ii) who is suspected to have committed fraud, or suspected to have joined any terrorist organization or suspected to have gone abroad.

**11.2.** Compassionate appointment in the case of a missing employee also would not be a matter of right as in the case of others and it will be subject to fulfillment of all the conditions, including the availability of vacancy, laid down for such appointment under the scheme;

**11.3.** While considering such a request, the results of the Police investigation should also be taken into account; and

**11.4.** A decision on any such request for compassionate appointment should be taken only at the level of the Chairman & Managing Director of the Bank."

#### **12. PROCEDURE**

- (a) The prescribed format may be used by the bank for ascertaining necessary information and processing the cases of compassionate appointment.

- (b) The Officer from the Staff Department of the Bank should meet the members of the family of the employee in question immediately after his death to advise and assist to them in getting appointment on compassionate ground. The applicant should be called in person at the very first stage and advised in person about the requirements and formalities to be completed by him/her.
- (c) An application for appointment on compassionate ground should be considered by the Committee of officers consisting of three officers; one Chairman and two members in the rank of Deputy General Manager/Assistant General Managers. The Officer from the staff department may also be made one of the members of the Committee, depending upon his rank. The Committee may meet during the second week of every month to consider cases received during the previous month. The applicant may also be granted personal hearing by the committee, if necessary, for better appreciation of facts of the case. The recommendation of the committee should be placed before the Competent Authority for a decision. If the Competent Authority disagrees with the committee's recommendation, the case may be referred to the higher authority for a decision.

### **13. UNDERTAKING FOR MAINTENANCE OF THE FAMILY OF THE DECEASED EMPLOYEE**

The person appointed on compassionate grounds under the Scheme, should give an undertaking in writing (as in Annexure) that he/she will maintain properly the other family members who were dependent on the deceased employee in question, and in case it is proved subsequently (at any time) that the family members are being neglected or are not maintained properly by him/her, his or her appointment may be terminated forthwith. Any complaint in this regard will be dealt in accordance with the provisions mentioned in point no.16 of the Scheme. This clause should be incorporated as one of the conditions in the offer of appointment applicable only **in the** case of appointment on compassionate ground.

In case of termination as stated above, there is no provision in the Scheme for providing employment to other member of dependent family.

### **14. REQUEST FOR CHANGE IN POST/PERSON**

When a person has been appointed on compassionate ground to a particular post, the set of circumstances, which led to such appointment, should be deemed to have ceased to exist. Therefore -

- a) He/she should strive in his/her career like his/her • colleagues for future advancement and any request for appointment to any higher post on considerations of compassion should invariably be rejected.
- b) An appointment on compassionate ground cannot be transferred to any other person and any request for the same on consideration of compassion should invariably be rejected.

### **15. SENIORITY**

A person appointed on compassionate ground in a particular year may be placed at the bottom of all the candidates recruited/appointed through direct recruitment, promotion, etc. in that year, irrespective of the date of joining of the candidate on compassionate ground.

### **16. TERMINATION OF SERVICE**

The compassionate appointment can be terminated on the ground of non-compliance/faulty compliance of any condition stated in the offer of appointment after providing an opportunity to the compassionate appointee by way of issue of show cause notice asking him /her to explain why his/her services should not be terminated for non-compliance of the condition(s) in the offer of appointment and it is not necessary to follow the procedure prescribed in the Disciplinary Action and Procedure therefor.

In order to check its misuse, the power of termination of service for non-compliance of the conditions in the offer of compassionate appointment should vest only with the CMD of the Bank.

#### **17. GENERAL**

- i) Appointment made on grounds of compassion should be done in such a way that persons appointed to the post do have the essential educational and technical qualifications and experience required for the post consistent with the requirement of maintenance of efficiency of administration.
- ii) It is not the intention to restrict employment of a family member of the deceased or medically retired sub-staff employee to an erstwhile sub-staff post only. As such, a family member of such erstwhile sub-staff employee can be appointed to a clerical post for which he/she is educationally qualified, provided a vacancy in clerical post exists for this purpose.
- iii) An application for compassionate appointment should, however, not be rejected merely on the ground that the family of the employee has received the benefits under the various welfare schemes. While considering a request for appointment on compassionate ground a balanced and objective assessment of the financial condition of the family has to be made taking into account its assets and liabilities (including the benefits received under the various welfare schemes mentioned above) and all other relevant factors such as the presence of an earning member, size of the family etc.

Hence, compassionate appointment be offered by the Bank only in the case where the Bank is satisfied that the financial condition of the family is such that, but for the provision of employment, the family will not be able to meet the crisis.

- iv) Compassionate appointment should be made available to the person concerned if there is a vacancy meant for compassionate appointment and he or she is found eligible and suitable under the scheme.
- v) Requests for compassionate appointment consequent on death or retirement on medical grounds of erstwhile sub-staff may be considered with greater sympathy by applying relaxed standards depending on the facts and circumstances of the case.
- vi) Compassionate appointment will have precedence over absorption of surplus employees and regularization of temporary employees.

#### **18. EXGRATIA IN LIEU OF COMPASSIONATE APPOINTMENT**

The bank has both the options i.e. Compassionate Appointment or payment of lump sum Ex-gratia amount. However, the option of Compassionate Appointment will be used only when the other conditions of compassionate appointment are met. The Staff Circular No.5425 dated 08.09.2007 will be applicable for payment of lump-sum Ex-gratia, if the dependents are otherwise eligible for the same.

#### **Explanation:**

An officer employee will retire on the last day of the month in which he completes his age of retirement Provided that an officer employee whose date of birth is on the first day of a month shall retire from service on the afternoon of the last day of preceding month on attaining the age of retirement

2) The bank shall constitute a special committee / special committees consisting of not less than three members to review whether an officer employee should be retired in accordance with first proviso to this regulation such committee / committees shall from time to time review in case of each officer employee and no order of retirement  
3) The following guidelines are issued by the government of India in terms of proviso to aforesaid regulation 1991 which are effective from 22.05.1998:

- a) The age of retirement of all officers will be 60 years
  - b) subject to the provision of the rule every officer shall retire from the service on afternoon of the last day of the month in which he attains the age of 60 years, provided that the officer whose date of birth is 1<sup>st</sup> of the month shall retire from the service on the afternoon of the last day of the preceding month on attaining the age of 60 years

- 4) In the light of the aforesaid provisions/guidelines the bank has formulated special committees to review the cases for premature retirement of officer employees who have completed 55 years of age or 30 years of service as an officer employee or otherwise whichever is earlier as under

| Grades of officers           | Special committee               | Competent authority |
|------------------------------|---------------------------------|---------------------|
| JMGS I, MMGS II AND MMGS III | 3 GMS                           |                     |
| SMGS IV SMGS V & TEGS VI     | CMD, GM & one director of board | Board               |
| TEGS VII                     | CMD, Two directors of board     | Board               |

The special committee will review the performance of all officer employees covered regulation 19 (1) for considering their retirement before reaching superannuation. This will include cases where the bank is of the opinion that the performance / health of an officer employee has deteriorated to the extent of impairing his efficiency or for whatever other reasons it is considered necessary for review of the performance of an officer by the special committee the performance the officer is reviewed on the basis of his / her annual performance report for the preceding 3 years

- 5) General guidelines for implementation of the provisions:
  - 5.1 The committees in making their recommendation would observe the following criteria:
    - a) Officer employees whose integrity is doubtful will be retired

- b) Officer employees who are found to be ineffective will also be retired the basic consideration identifying such employee should be the fitness/ competence of the employee to continue in the post which he / she is holding
- c) While entire service record of an officer employee should be considered at time of review no officer employee should ordinarily be retired on grounds of ineffectiveness if his service during preceding years or where he has been promoted to a higher post during that year's period his service in the highest post has been found satisfactory

Consideration is ordinarily to be confined to the preceding 5 years to the period to the higher post, in case of promotion within the period of 5 years, only when retirement is sought to be made on the grounds of ineffectiveness. There is no such stipulation however where the officer is to be retired on grounds of doubtful integrity

- d) No officer employee should ordinarily be retired on the ground of ineffectiveness if in any event he would be retiring on superannuation within a period of one year from the date of consideration of this case

Ordinarily No officer should be retired on the ground of ineffectiveness if he is retiring on superannuation within a period of one year from the date of consideration of this case it is clarified that in case where there is a sudden and steep fall in the competence efficiency or effectiveness of an officer, it would be open to review his case for premature retirement.

5.2 The rules relating to premature retirement will not be used in the following circumstances;

- I. To retire an officer employee on grounds of specific acts of misconduct as a short cut of initiating formal disciplinary action or
- II. For reduction of surplus officers or
- III. As a measure of effecting general economy

5.3 In case where it is found that an officer employee is not keeping good health or he is not in a position to give his best the bank may in its sole discretion call for a medical report on the officer from the bank doctor or from the doctor nominated by the bank for this purpose and submit the same to the special committee for its special consideration.

5.4 The special committee constituted hereinabove would review the cases once in a year or at such intervals as may be decided from the management from time to time

5.5 The committee after reviewing such cases would submit its recommendations to the competent authority who would take into consideration there recommendation of the special committee and decide as to whether the officer employee is to be retired prematurely or not

5.6 In case there is no such case a nil report would be sent

5.7 if the competent authority concurs with the recommendation of the special committee and decides to retire an officer employee prematurely he would record that he has formed an opinion based on confidential report of the bank and other relevant information in respect of the said officer employee that it is necessary to retire such officer employee in pursuance of the aforesaid provision of regulation 19 (1)

5.8 The officer employee who is to be retired prematurely would be served with a written notice of 3 months or he/she would be paid an amount equivalent to 3 months' salary/pay and allowances. In this eventuality the officer concerned shall retire on the last day of the month in which the notice period expires

5.9 The officer employee concerned who has been issued with the notice may make a representation if he so desires within 15 days from the receipt thereof to the competent authority and on the receipt of such representation, the same will be placed before the special committee for its consideration. The committee if it thinks fit may make fresh recommendations to the competent authority. On receipt of the committee's recommendations the competent authority may take a final view. The decision arrived there at will be communicated to the concerned officer.
